INTRO We do not know prehistoric times unless we travel from the present then backwards We have to start from where we are and travel far away back in time Unless we can trace a movement a lineage a progression an evolution a devolution any pathway then it would be like trying to follow the course of a skipping stone and being unable to see where it connects under the water we must study the formation of the ripples We connect the dots through historical facts the significant events and activities and project those further backwards in time to the prehistoric vestiges of assumed memory What we find today is a great and material civilization covering most of the Earthly world which is being controlled and ruled over by something which is a force known as the global cf preview

Celebrating the Lectionary for High School 2012-2013: Supplemental Lectionary-Based Resource , From Page to Proclamation Clare Schwantes, 2024-11-19 This pioneering work invites readers to embark on a

transformative journey through the heart of liturgical worship and scriptural proclamation It introduces a new tier to biblical hermeneutics exploring the ways in which the liturgical event and the ecclesial community color the interpretation of Scripture Weaving together insights from Gadamer s philosophical hermeneutics with the rich tapestry of Catholic liturgy the author proposes that the meaning of a proclaimed Scripture passage emerges not from an analysis of the text itself but in the vibrant interplay of multiple horizons Bible Lectionary homilist and worshiper Through a lens of play and festival the intricate relationship between tradition and contemporary worship is explored showcasing how the sensory richness of the Catholic liturgy shapes the interpretation of Scripture It challenges readers to view the Lectionary as a living text intimately connected to the worshiping assembly and the modern world This thought provoking work offers both theoretical insights and practical implications for scholars clergy and worshipers alike It inspires a fresh perspective that resonates with the contemporary Catholic experience guiding worshipers toward a profound engagement with Scripture in the dynamic event of liturgical celebration
