Wilbricht, csc, 2024-09-01 After the excitement of the Easter Vigil the period of mystagogy can often be overlooked by the initiation team and the neophytes However it is an essential part of the Christian initiation process because it helps the neophytes deepen their relationship with Christ and with the Church Mystagogical reflection is an important part of the spiritual growth of all parishioners from neophytes to lifelong Catholics because it invites the faithful to reflect on their encounters with Christ in the sacraments and then consider the transformative effects those encounters have on their daily lives A Guide to the Period of Mystagogy encourages members of the initiation team to make the most of this period and provides practical support to do so It includes An overview of six foundational principles of initiation ministry and how they are applied to the period of mystagogy Theological insights from the early Church s practice of mystagogy Practical advice for implementing mystagogical reflection in your parish Nine mystagogical reflection sessions that can be used during Easter Time Fifteen mystagogical reflection sessions that can be used during the first year following initiation Encouragement to celebrate the first anniversary of baptism and to incorporate mystagogical reflection into the ongoing faith formation of the whole parish community

Mass Exodus Stephen Bullivant,2019-05-30 Of those raised Catholic just 13% still attend Mass weekly and 37% say they have no religion But is this all the fault of Vatican II and its runaway reforms Or are wider social cultural and moral forces primarily to blame In 1962 Pope John XXIII opened the Second Vatican Council with the prophecy that a new day is dawning on the Church bathing her in radiant splendour Desiring to impart an

ever increasing vigour to the Christian life of the faithful the Council Fathers devoted particular attention to the laity and set in motion a series of sweeping reforms The most significant of these centred on refashioning the Church's liturgy the source and summit of the Christian life in order to make it pastorally efficacious to the fullest degree Over fifty years on however the statistics speak for themselves In America only 15% of cradle Catholics say that they attend Mass on a weekly basis meanwhile 35% no longer even tick the Catholic box on surveys In Britain the signs are direr still Catholicism is not the only Christian group to have suffered serious declines since the 1960s If anything Catholics exhibit higher church attendance and better retention than most Protestant churches do If Vatican II is not the cause of Catholicism's crisis might it instead be the secret to its comparative success Mass Exodus is the first serious historical and sociological study of Catholic lapsation and disaffiliation Drawing on a wide range of theological historical and sociological sources Stephen Bullivant offers a comparative study of secularization across two famously contrasting religious cultures Britain and the USA
