

The background of the entire image is a painting of a Middle Eastern street scene. In the foreground, a dark, arched stone gateway frames the view. To the right, a multi-story building with arched windows and balconies stands. In the lower right, a group of people in traditional Middle Eastern attire, including turbans and long robes, are gathered. A man in a red turban and dark robe is in the center, possibly leading a horse or a pack animal. The street leads through the archway into a sunlit area with more buildings and a clear blue sky. The overall style is that of a 19th-century painting.
