

King's College School Report Writing Guide

Report writing is our most important formal method of communication with parents. In addition to keeping parents informed about the progress of their children, the content and presentation of reports is representative of the standards expected within the School and needs to be of the highest quality.

Overview

The report writing schedule is reviewed annually and the latest version is attached to this document.

The deadlines for submitting reports (including peripatetic music reports) are published on a termly basis, as part of each term's academic schedule. Please keep to these deadlines, in order to minimise the pressure on colleagues (specifically the Head of ICT, Form Tutors and ultimately, the Head Teacher and office staff).

Accessing your reports

We use the report writing function on iSAMS, our online management system. Please follow the instructions to access your reports.

1. After logging on to iSAMS, select "Report Writing" from the menu on the left-hand side.
