My "Why"

Every child has the capability to learn and succeed – they just might need help to remove barriers and bring out their best selves. It is a goal.

Core Curriculum Samples

Add any notes you want here about your style of class lessons, where you find them, what is important for you to include in them, etc.

PHILOSOPHY

Education

Every child is deserving of a comprehensive education that prioritizes critical and compassionate thinking that prepares students for the future. The most powerful learning occurs in the context of a relationship, so a strong educational program must include positive connections between students and those teaching them. I also believe

Use of Data

Collecting and analyzing data allows me to 1) focus my programming and interventions where they are most needed and 2) make improvements to my services for improved efficacy.
