Reader Advisory These stories are for mature audiences only and feature intensely erotic situations dominant women and submissive men taboo teacher student relations discipline spanking and humiliation All characters are 18 or older Jackson doesn't know why he started the rumor about Professor Eliza Richardson his young and beautiful economics professor Maybe it was a plea for attention or maybe it was just a way of making a long hidden fantasy become slightly real But whatever the reason the rumors have made their way to the Dean of Student Affairs Ms Clay herself and when Jackson is called down to the office on a Friday afternoon he finds out the dean's heard a lot more Once past the initial mortification he can admit he's probably earned the spanking she'll give him but did Ms Clay really have to tell Professor Richardson about the whole thing too Surely the professor will find her own ways to settle accounts and all Jackson can do is wait and see which method will leave him more sore Excerpt The ensuing silence was awful After daring the initial glance towards Professor Richardson my eyes had stayed locked on a spot on the floor near the leg of the desk I could feel her considering me Won't you say something Professor I finally blurted I'm trying to understand you Jackson What's to understand I shouldn't have said I just made a mistake What did you want I struggled with the question I guess I just sort of liked the idea of it to tell the truth I said finally in a very quiet voice I'm just so incredibly embarrassed Professor She blinked in surprise Then she started to laugh Is that what it was she said I thought I saw something in the way you looked at me and it made the lie all the harder to understand She closed the door of the office and stepped into the room But then again if you knew the headache what a stupid thing I'm sorry She billowed the top of her blouse with a hand and ran frustrated fingers through her lustrous dark hair Even though it was wildly inappropriate given the situation I couldn't help but find her even more alluring when angry than when she was calm and collected She seemed simultaneously capable of anything and yet in control I got the sudden and very strange insight that she had probably been the type to get into a lot of trouble when she was younger She turned back to look at me and caught me staring Her eyes locked to mine freezing me in place and I watched a faintly appraising look come into her face Her full lips pursed thoughtfully Well what are we going to do about this she asked The question sounded rhetorical so I watched her without answering Tell me she said walking over to lean against the desk only a couple feet from me What is it exactly you told people I did Notice This title includes themes and passages that have been adapted from Jessica Whitethread's Naughty Rumors with full consent of the original author **Disciplining the Teacher**

last words come out of my mouth That may have been taking it too far but it was where the conversation was headed anyways That s a very interesting perspective Peter she says in a neutral voice But surely if you cared about her you wouldn t be manipulating her into giving you her work when she clearly didn t want to I roll my eyes in dismissal Professor I say is it really that simple Sometimes you need something from someone that s all It doesn t hurt her any if she helps me out just like it doesn t hurt you any if you forget this whole thing ever happened I put a little emphasis on the if I m not obvious I think but I do it just enough that he ll interpret the sentence the way I mean it She sits back and considers me for a long moment taking me in all of me I find myself suddenly a little bit self conscious but try to shake the momentary weakness out of my head What are you doing Peter she asks Why do you think it s appropriate to act this way I try to meet her gaze but I m finding it increasingly difficult Like what Professor You always trying to push people around to get what you want Do you think I m some kid who ll go weak kneed if you flex your muscles What are you talking about Professor I ask as innocently as I can mentally backpedaling as my heart begins to hammer She seems angry It s suddenly obvious to both of us that I don t have the courage to go through with my implied threat What am I talking about She asks incredulously No enough I ve wasted too much time trying to teach you like an adult and give you the benefit of the doubt I can see now that I was wrong from the beginning She stands up angry and strong and almost as tall as I am but still managing to look down at me somehow She grabs me by my arm and pulls me to face her Look at yourself she says Do you think this is an acceptable way to behave How far in life do you think this sort of stunt will take you I look at her unable to speak There isn t anything to say But there s something about the way she s looking at me almost like she knows she s supposed to be angry but she s responding in a different way instead almost like she s noticing me the way I noticed her along the pathway this morning now that we re so close I draw in a faltering breath Notice This title includes themes and passages that have been adapted from Jessica Whitethread s Caught By My Professor with full consent of the original author
