

Section 1: Staffing & Service Model Logistics

This section of your manual lays out how you want to staff the restaurant and the logistics of your particular service model. It's important to think about this early on, as you can't change it later without a lot of hassle. Consider the following questions:

Consider the following:

Staff

- How many staff members do you need?
- How many staff members do you need?
- Which positions do you need?
- What are the responsibilities of each position?
