Sample Book Insights 1 The Greek word for saint is hagios and it refers not to one s character but to a state of being Every believer is a saint even the most ordinary and the most immature 2 Every true believer is a saint set apart by God The biblical meaning of the word saint is someone who has been purchased by Christ with His own blood and has been separated unto God to be transformed into the image of His Son 3 It is not always easy for saints to live up to their calling We are saints but we are not perfect We have desires that are against the Spirit and those desires are opposed by the flesh to keep us from doing what we want to do 4 The Bible has a word for saintly conduct that is unbecoming It is sin We often fail to see our own sin but we must realize that we are saints and therefore responsible for living as saints
