Who Gets In? Rebecca Zwick,2017-05-15 On the disputed topic of U S college admissions everyone agrees that this high stakes competition is unfair But few agree on what a fair process would be Stressing transparency in evaluating applicants Rebecca Zwick assesses the goals and criteria of different admissions policies and shows how they can fail to produce the desired results

Making College Work Harry J. Holzer,Sandy Baum,2017-08-15 Practical solutions for improving higher education opportunities for disadvantaged students Too many disadvantaged college students in America do not complete their coursework or receive any college credential while others earn degrees or certificates with little labor market value Large numbers of these students also struggle to pay for college and some incur debts that they have difficulty repaying The authors provide a new review of the causes of these problems and offer promising policy solutions The circumstances affecting disadvantaged students stem both from issues on the individual side such as weak academic preparation and financial pressures and from institutional failures Low income students disproportionately attend schools that are underfunded and have weak performance incentives contributing to unsatisfactory outcomes for many students Some solutions including better financial aid or academic supports target individual students Other solutions such as stronger linkages between coursework and the labor market and more structured paths through the curriculum are aimed at

institutional reforms All students and particularly those from disadvantaged backgrounds also need better and varied pathways both to college and directly to the job market beginning in high school We can improve college outcomes but must also acknowledge that we must make hard choices and face difficult tradeoffs in the process While no single policy is guaranteed to greatly improve college and career outcomes implementing a number of evidence based policies and programs together has the potential to improve these outcomes substantially *Legal Reasoning for CLAT, AILET, SLAT & Other Law Entrance Exams 2nd Edition* Disha Experts, 2021-11-13 The 2nd Edition of Legal Aptitude Reasoning for CLAT AILET SLAT Other Law Entrance Exams has been upgraded as per the new CLAT pattern and it now includes Passage based Questions So the book becomes a Must for all Law Admission Tests The book also adds latest Legal Reasoning Questions The book is divided into 2 parts Part A Legal Foundation covers the Indian Constitution Executive Judiciary etc which forms the foundation for studying Legal Aptitude Part B Legal Aptitude Reasoning covers all the important tenets of the Legal Framework and teaches how to reason out the various real life situations based on the Legal Principles The book covers a lot of MCQs for Practice Past Questions from 2015 2021 of various exams are incorporated in the various chapters in the book
