Junior College established in 1974 is one of the top junior colleges in Singapore. Its bilingual English and Chinese and bicultural junior college programme prepares enrolled full-time 16 to 18-year-old students for the Singapore Cambridge GCE A level examinations for entry into the top local and prestigious foreign universities such as the Oxbridge universities in the UK and the Ivy League universities in the US. The College attracts the best local students after their GCE O level examinations, top-tier foreign students, the Ministry of Education's ASEAN Scholars, as well as other sponsored scholarship students from China and India. This book of memoirs covering my years at Hwa Chong as a pioneer teacher from its very first year shares with all my Hwa Chong colleagues, students, Councillors, and students past, current, and future the history and traditions of the College whose deep-rooted ethos and spirit help it to consistently deliver many top students and scholars into the best local and most prestigious universities overseas. These memoirs, written on the occasion of the College's 40th Anniversary, also record and share the travails and distressing times of the College as it was forced to spend several years on the move in temporary premises. The memoirs also share the triumphs of the College's students and student Councillors as they excel not only in their studies but also in various Co-Curricular Activities and in leadership appointments while enjoying their College life.

Summer break may be over and a new year may be starting at Arlington City High but simmering tensions between the students are about to reach a boiling point as the annual Student Council elections draw near. In the wake of a ruined clandestine relationship, a scandal that ruined the former football team captain's life and a suicide that sent shockwaves through the entire student body, this new year is shaping up to be even more traumatic than the one before. Still reeling over the events of the previous year, Bethany Hill wants to see the school turn to ashes. In the meantime, she will stop at nothing to get her girlfriend Lauren Bradshaw crowned the new school queen. Lauren's own reservations about the job, be damned, Beth will make her President or die trying. Head Cheerleader Ashley Williams is out for blood after Beth allegedly stole Lauren her secret ex-girlfriend and puts forward her new boyfriend and star quarterback Spencer Barnett as Lauren's main competition. A true power couple, they stand to run the school unopposed if Spencer decides to take on yet another role as the most popular guy in school.

role he grows to hate more and more with each passing day And then there s poor Katherine Duvall a sweet na ve girl that just wants to make the world around her a better place for people outside of the top one percent How is she supposed to run for office one day if she can barely give a book report in front of the class without wanting to throw up Unfortunately Katherine can barely get her foot in the door before the Powers That Be force Tracy Summers one of the sitting Class Representatives that is very much not apart of the in crowd to befriend Katherine and sabotage her campaign from the inside in exchange for their friendship and a better spot on the Student Council Knowing she will never get into Harvard if she doesn t get a stronger application she begrudgingly accepts Lies cheating and manipulation are the name of the game and only one person can win In this first entry of the MACBETHANY series we will see just how far people will go to help the ones they love and just how far they will go to help themselves
