Revelation: a Letter to the Tribulation Christians and Those Left Behind James D. Elliott, 2021-12-09 Of all the books in our Most High God's blessed word it is the book of Revelation that gives the body of Christ 1 Corinthians 12:27 the most trepidation to study In part because the book of Revelation is the foretelling of events that have not taking place and it is in part due to the perception by a majority in the body of Christ that the book of Revelation is overly symbolic But in reality the book of Revelation is pretty straight forward The word of God is replete in the books chapters and verses of God's word that are either directly and or indirectly related to the book of Revelation

Reading Revelation After Supersessionism Ralph J. Korner, 2020-11-11 In this volume Ralph Korner argues that John's extensive social identification with Judaism's Jewishness and Jewish institutions does not reflect a literary program of replacing Israel with the ekklisia churches assemblies that is the Jewish and non Jewish followers of Jesus as Israel's Messiah Rather John is emplacing his Christ followers further within Israel without thereby superseding Israel as a national identity for ethnic Jews who do not follow Jesus as the Christos There are three primary roads travelled in this investigative journey First Korner explores ways in which a Jewish heritage is intrinsic to the literary structure genre eschatology symbolism and theological motifs of the Apocalypse Second he challenges the linear chronology of generally supersessionist dispensational readings of Revelation's visionary content by arguing for a reiterative repetitive structure based on certain literary devices that also provide structure for visions within Jewish apocalypses and Hebrew

prophecies Third he incorporates the most recent research on ekkl sia usage especially in Asia Minor to assess how John s
 ekkl sia associations might have been non supersessionally perceived especially by Jews in Roman Asia **Revelation** H. A.
 Ironside,2004-06-01 This classic commentary series from one of the most creative and articulate expositors of the twentieth
 century is being reissued for a new generation **Revelation in Context** Irene Belyeu,2006 *The T.D. Jakes Relationship*
Bible T.D. Jakes,2012-01-24 From Genesis to Revelation it is clear that the Holy Bible is in the words of Bishop T D Jakes The
 Greatest Love Story Ever Told It is not a book about religion but relationships from the creation of a man and a woman and
 their intimate relationship with God in the Garden through the tragic break in that relationship at the Fall and the eventual
 restoration of that relationship through Jesus Christ and His death on the cross of Calvary Let s face it we all have questions
 about relationships in life When you lay your head down on the pillow at night do you find these questions about your
 relationship with God running through your mind How can I know God personally Can I find peace and true contentment
 What is the purpose of my life How do I know how God wants me to live What is prayer Throughout our lives we all face a
 long list of questions on relationships that trouble our souls and require real answers based on real truth How do I forgive
 someone who has hurt me badly Can I mend this broken relationship When my world seems to be falling apart around me
 who can I trust and in whom dare I confide How do I know whether a person is the right one to date Will my marriage survive
 How do I nourish my child s heart What do I do with my fears about expressing my love and care to a friend The good news is
 that in God s Word we find the answers to life s bewildering relationship questions We are not left to figure it out on our own
 and in our own strength and power You are invited to begin a lifelong journey to discovering God s words of truth for your
 life and relationships and to discovering God Himself in the words of His Book **Revelation (THNTC)** John Christopher
 Thomas, Frank D. Macchia ,2016 The book of Revelation is perhaps the most theologically complex and literarily sophisticated
 text in the New Testament In this commentary John Christopher Thomas and Frank Macchia make the brilliant but
 challenging text of Revelation more accessible and easier to understand on its own terms rather than as a futuristic prophecy
 In addition to their literary exegetical and theological analysis of the text they offer sustained theological essays on the book
 s most significant themes and issues accenting especially the underappreciated place of the Holy Spirit in the theology of the

Grammar and Lexicon for the Book of Revelation Paul L. Danove,2022-06-02 Paul Danove presents a case frame grammar
 and lexicon for the Book of Revelation with three major goals He first provides a step by step introduction to case frame
 analysis incorporating various adaptations and extensions to address the needs of the study of the Greek of the New
 Testament He then supplies a comprehensive case frame grammar and description of the syntactic semantic and lexical
 requirements that each predicator imposes on its complements He finally generates a case frame lexicon that guides the

interpretation and translation of each predicator occurrence in its grammatical contexts Danove begins with the method of analysis and description with an overview of case frame grammar an analysis of the events grammaticalized by the predicators in the Book of Revelation descriptions of the usages of these events and further specification of these descriptions He then provides illustrative examples of the predicators with each usage discusses the distinctive grammatical characteristics of Revelation sets forth the protocols for generating lexicon entries and concludes with the case frame lexicon for predicators in the text of Revelation
