Trauma, Taboo, and Truth-Telling Nancy J. Gates-Madsen, 2016-07-20 Silences taboos and public secrets carry their own deep meaning about Argentina's painful legacy of repression *Tamar's Revenge* Tirso de Molina, 1988 The story comes from the Second Book of Samuel and tells of the incestuous passion of Amnon David's eldest son for his half sister Tamar and the subsequent murder of Amnon by his brother Absalom Amnon's lust is set in the context of complementary passions of ambition and revenge reflected in Absalom and Tamar respectively The play explores King David's conflict between justice and mercy when confronted with these tragic events It is a work of constantly changing perspectives in which tragedy and comedy instead of being simply juxtaposed are blended in a highly original way Tirso's play is one of the earliest treatments of a theme that has continued to be an inspiration for such modern writers as the novelist Dan Jacobson in *The Rape of Tamar* and the dramatist Peter Shaffer in *Jonadab* Spanish text with facing page translation commentary and notes

Queering the Vampire Narrative , 2023-10-20 *Queering the Vampire Narrative* offers classroom ready original essays that continue our explorations of vampires as representations of the cultural Other which builds on the work of our previous texts The editors argue ultimately the vampire is a queer icon infinitely blurring the boundaries of identity and cultural norms and queering even the most seemingly stable notions such as life death humanity and monstrosity The Vampire is the undead monarch of subtextual articulations of Otherness especially queer behaviors and desires offering explorations of the AIDS epidemic the destabilization of ideas of fixed and stable sexuality the search for community and chosen family and the issues of individual and generational trauma In current fictions vampires are coming out of the coffin and the closet identifying as openly queer and often created by queer writers artists and directors and bringing the subtext to the surface of the narrative This volume seeks to create a dialogue about the impact and importance of the vampire on queer identity and queer theory and to answer the questions of why the vampire is such a compelling queer icon and what visions of vampires articulate about our ideas surrounding issues of sexuality sexual orientation sexual behaviors and desires **Theorizing Legal**

Personhood in Late Medieval England , 2015-06-24 *Theorizing Legal Personhood in Late Medieval England* is a collection of eleven essays that explore what might be distinctly medieval and particularly English about legal personhood vis vis the jurisdictional pluralism of late medieval England Spanning the mid thirteenth to the mid sixteenth centuries the essays in this volume draw on common law statute law canon law and natural law in order to investigate emerging and shifting definitions of personhood at the confluence of legal and literary imaginations These essays contribute new insights into the workings of specific literary texts and provide us with a better grasp of the cultural work of legal argument within the histories of ethics of the self and of Eurocentrism Contributors are Valerie Allen Candace Barrington Conrad van Dijk Toy Fung Tung Helen Hickey Andrew Hope Jana Mathews Anthony Musson Eve Salisbury Jamie Taylor and R F Yeager [SSC CGL Tier 1 Book](#)

Pedagogic Criticism Ben Knights,2017-07-01 This book argues that the history of English Studies is embedded in its classroom practice and its practice in its history Some of its foundational struggles are still being lived out today English is characterized as a boundary subject active in dialogue across a number of imagined borders especially those between academic and non specialized readerships While the subject discipline maintains strong pedagogic principles many of its principles and values are obscure or even invisible to students and potential students The book cross fertilizes the study of English as a subject with the analysis of selected literary texts read as pedagogic parables It concludes with a call for a return to the subject s pedagogic roots

The Objects That Remain Laura Levitt,2020-11-02 On a November evening in 1989 Laura Levitt was raped in her own bed Her landlord heard the assault taking place and called 911 but the police arrived too late to apprehend Laura s attacker When they left investigators took items with them a pair of sweatpants the bedclothes and a rape exam was performed at the hospital However this evidence was never processed Decades later Laura returns to these objects viewing them not as clues that will lead to the identification of her assailant but rather as a

means of engaging traumatic legacies writ large *The Objects That Remain* is equal parts personal memoir and fascinating examination of the ways in which the material remains of violent crimes inform our experience of and thinking about trauma and loss Considering artifacts in the United States Holocaust Memorial Museum and evidence in police storage facilities across the country Laura's story moves between intimate trauma the story of an unsolved rape and genocide Throughout she asks what it might mean to do justice to these violent pasts outside the juridical system or through historical empiricism which are the dominant ways in which we think about evidence from violent crimes and other highly traumatic events Over the course of her investigation the author reveals how these objects that remain and the stories that surround them enable forms of intimacy In this way she models for us a different kind of reckoning where justice is an animating process of telling and holding

Gutter Auteur Rob Craig, 2012-12-01 Grindhouse filmmaker Andy Milligan has been the subject of a revealing biography and boasts a grassroots fan base but his remarkable work has thus far received no serious critical overview Working virtually alone on infinitesimal budgets often using a used 16mm newsreel camera Milligan crafted some of the most unique melodramas of the 1960s and 1970s Often mounted as period

pieces using costumes sewn by the filmmaker Milligan s gritty bizarre films come across as inimitable meldings of the avant garde theater of Jean Genet the experimental films of Jack Smith and the random cinema verite of a lunatic with a home movie camera Yet Milligan s films are anything but random ruminating at length on profound sociocultural themes of the day including the emptiness of the sexual revolution Evident throughout all the films are two pet themes a rabid deconstruction of the heterosexual paradigm and a grotesque illumination of the family as breeder of dysfunction
