Tom Stevenson

Rhone 20vintage Report:

Reports from the Consuls of the United States United States. Bureau of Foreign Commerce, 1881 *American Rhone*
Patrick J. Comiskey, 2016-10-11 Thoughtfully conceived and very well written this is essential somm reading The Somm
Journal This is the most important wine book of the year perhaps in many years The Seattle Times Crisply written impeccably
researched balanced if fundamentally enthusiastic scholarly but accessible and full of unexpected details and characters The
World of Fine Wine No wine category has seen more dramatic growth in recent years than American Rhone variety wines
Winemakers are devoting more energy more acreage and more bottlings to Rhone varieties than ever before The flagship Rhone
red Syrah is routinely touted as one of California's most promising varieties capable of tremendous adaptability as a vine
wonderfully variable in style and highly expressive of place There has never been a better time for American Rhone wine
producers American Rhone is the untold history of the American Rhone wine movement The popularity of these wines has
been hard fought this is a story of fringe players unknown varieties and longshot efforts finding their way to the mainstream
It's the story of winemakers gathering sufficient strength in numbers to forge a triumph of the obscure and the brash But
more than this it is the story of the maturation of the American palate and a new republic of wine lovers whose restless tastes
and curiosity led them to Rhone wines just as those wines were reaching a critical mass in the marketplace Patrick J
Comiskey's history of the American Rhone wine movement is both a compelling underdog success story and an essential
reference for the wine professional *Reports from the Consuls of the United States (varies Slightly)* United States. Bureau

wines of the world are available for a fraction of the cost of those from better known regions Wines of the Rhone Valley is the
ultimate resource for every wine lover highlighting both the greatest wines of the Rhone Valley and the region's finest wine
values With his trademark thoroughness Parker has fully revised and expanded this edition to reflect changes in the region
