Life with God Richard J. Foster, 2010-05-04 Too often our study of the Bible focuses on searching for specific information or some formula that will solve our pressing needs of the moment But what if we approached the Bible differently and instead of transforming the text to meet our needs allowed it to transform us That s exactly the idea behind *Life with God* Richard J Foster s much anticipated book on the Bible Foster bestselling author of *Celebration of Discipline* and general editor of *The Renovar Spiritual Formation Bible* claims that God has superintended the writing of Scripture so that it serves as the most reliable guide for Christian spiritual formation According to Foster the Bible is all about human life with God As we read Scripture we should consider how exactly God is with us in each story and allow ourselves to be spiritually transformed By opening our whole selves mind body spirit thoughts behavior and will to the page before us we begin to grasp all the Bible has to teach about prayer obedience compassion virtue and grace and apply it to our everyday lives to achieve a deeper relationship with God With a wealth of examples and simple yet crucial insights *Life with God* is an indispensable guide to approaching the Bible through the lens of Christian spiritual formation revealing that reading the Bible for interior transformation is a far different endeavor than reading the Bible for historical knowledge literary appreciation or religious instruction

Foster, 1992-08-14 Best selling author Richard J Foster offers a warm compelling and sensitive primer on prayer helping us to understand experience and practice it in its many forms from the simple prayer of beginning again to unceasing prayer He clarifies the prayer process answers common misconceptions and shows the way into prayers of contemplation healing blessing forgiveness and rest Coming to prayer is like coming home Foster says Nothing feels more right more like what we are created to be and to do Yet at the same time we are confronted with great mysteries Who hasn't struggled with the puzzle of unanswered prayer Who hasn't wondered how a finite person can commune with the infinite Creator of the universe Who hasn't questioned whether prayer isn't merely psychological manipulation after all We do our best of course to answer these knotty questions but when all is said and done there is a sense in which these mysteries remain unanswered and unanswerable At such times we must learn to become comfortable with the mystery Foster shows how prayer can move us inward into personal transformation upward toward intimacy with God and outward to minister to others He leads us beyond questions to a deeper understanding and practice of prayer bringing us closer to God to ourselves and to our community
