Kathleen Stassen Berger

Richard Straub Manual:

The Developing Person Through Childhood and Adolescence, Sixth Edition Kathleen Stassen Berger, 2003 The new edition of the acclaimed classroom favorite for chronologically organized child development courses

The Developing Person Through the Life Span Kathleen Stassen Berger, 2005 The Developing Person Through the Life Span Sixth Edition presents theory research practical examples and policy issues in a way that inspires students to think about human development and about the individual's role in the community and the world Review the new edition and you'll find Berger's signature strengths on display the perceptive analysis of current research the lively and personal writing style and the unmistakable commitment to students You'll also find a wealth of new topics plus a video based Media Tool Kit that takes the teaching and learning of human development to a new level

The Developing Person Through Childhood, Fifth Edition Kathleen Stassen Berger, 2002-10-15 New edition of Berger's acclaimed bestselling text for chronologically organized courses focus strictly on the childhood years

State and Local Programs on Smoking and Health, 1982

State & Local Programs on Smoking and Health, 1982

The Developing Person Through Childhood and Adolescence Kathleen Stassen Berger, 2008-10-30 Check out a preview Edition after edition Berger's highly praised bestselling text opens students' eyes to the ways children grow and the ways that growth is investigated and interpreted by developmentalists Staying true to the hallmarks that have defined Berger's vision from the outset the Eighth Edition again redefines excellence in a child development textbook combining thoughtful interpretations of the latest science with new skill building pedagogy and media tools that can revolutionize classroom and study time

Open Systems Handbook James Isaak, 1994

Psychology In Modules David G. Myers, 2009-09-28 This version of the main text breaks down the chapters into shorter modules for more accessibility The smaller chunks allow students to better grasp and explore psychological concepts The modules also allow more flexibility in teaching as cross references to other chapters have been replaced with brief explanations

Psychology In Modules (Spiral) David G. Myers, 2009-09-28 Why Myers David Myers has become the world's best selling introductory psychology author by serving the needs of instructors and students so well Each Myers textbook offers an impeccable combination of up to date research well crafted pedagogy and effective media and supplements Most of all each Myers text demonstrates why this author's style works so well for students with his signature compassionate companionable voice and superb judgment about how to communicate the science of psychology and its human impact Why Modules This module based version of Myers best selling full length text Psychology breaking down that book's 16 chapters into 59 short modules is yet another example of the author's ability to understand what works in the classroom It comes from Myers' experiences with students who strongly prefer textbooks divided into briefer segments instead of lengthier chapters and with instructors who appreciate the flexibility offered by the modular format Modular organization presents material in smaller segments Students can easily read any module in a single sitting Self standing modules Instructors can assign modules in their own

preferred order The modules make no assumptions about what students have previously read Illustrations and key terms are repeated as needed This modular organization of short stand alone text units enhances teacher flexibility Instead of assigning the entire Sensation and Perception chapter instructors can assign the module on vision the module on hearing and or the module on the other senses in whatever order they choose Watch our new videos from David Myers here including our animation on THE TESTING EFFECT narrated by David Myers
