Valencia, 2015-03-05 Students of Color and the Achievement Gap is a comprehensive landmark analysis of an incontrovertible racialized reality in U S K 12 public education the relentless achievement gap between low socioeconomic students of color and their economically advantaged White counterparts Award winning author and scholar Richard Valencia provides an authoritative and systemic treatment of the achievement gap focusing on Black and Latino Latina students He examines the societal and educational factors that help to create and maintain the achievement gap by drawing from critical race theory an asset based perspective and a systemic inequality approach By showing how racialized opportunity structures in society and schools ultimately result in racialized patterns of academic achievement in schools Valencia shows how the various indicators of the achievement gap are actually symptoms of the societal and school quality gaps Following each of these concerns Valencia provides a number of reform suggestions that can lead to systemic transformations of K 12 education Students of Color and the Achievement Gap makes a persuasive and well documented case that school success for students of color and the empowerment of their parents can only be fully understood and realized

when contextualized within broader political economic and cultural frameworks      Winning the Presidency 2008 William J. Crotty, 2015-11-17 The presidential election of 2008 is unique in a history of memorable campaigns for the highest office in the U S Never before has an African American captured the nomination of a major political party Never before have the Republicans nominated a woman for vice president Never before has a woman come so close to capturing the nomination of a major party And with at once one of the oldest and youngest candidates contending for the office never before has the campaign been stretched over such a range of voters and issues Add to that the multiple threats to the U S economy and the longest war the country has ever waged and the electoral context is set This book is the first to describe and assess these monumental developments with original analysis by an all star cast of contributors No other book captures both the range and depth of this one in its early look at the meaning of the most significant election in years one with unprecedented institutional constitutional and policy consequences for all of us      The Absurdity of Compromise - The Art of Resolving Conflict so Everyone Wins Donald Grady II, PhD, 2019-01-02 People think compromise is a good thing Can anything be good that pushes everyone involved to sacrifice something they value Compromise has long been accepted as the preferred way to resolve our differences We do it at work as entrepreneurs to settle squabbles between spouses or when a mother battles a teen No matter the problem we go for the compromise You ever wonder why In The Absurdity of Compromise Donald Grady examines the drawbacks and challenges of conflict and explodes the myth that compromise is the win win it s proclaimed to be Avoid the pitfalls of talking past other people Learn to listen intelligently and empathetically understand the perspective of others Stop fighting and compromising to everyone s mutual dissatisfaction Want better results but haven t quite figured out how to get there This is the book for you Today s practices often present antagonists with one sided solutions leaving each feeling like losers In Don Grady s peace building schemata everyone comes away a winner I recommend this lively book to anyone enmeshed in the field of conflict resolution foreign or domestic Robert W Farrand U S Ambassador and Deputy High Representative Bosnia Heregovina 1997 2000      **Catalog of Copyright Entries.
