- Connect the smaller end of the micro USB cable (included) to the opening on the end of the headset. To connect the cable to a power source, either connect the larger end of the cable to a USB port on your computer, or to the included wall adapter, which you then plug into a wall outlet. If you charge with your computer, make sure the computer is powered on. While the battery is charging, the indicator lights red. When the battery is fully charged, the indicator lights yellow-green.

Note: Charge the headset with attached USB cable and provided wall charger only.

Turning the headset on and off

- 1 To turn on the headset, press and hold the power button for about two seconds. The headset beeps and the indicator blinks yellow-green.
- 2 To turn off the headset, press and hold the power button for about four seconds. The headset beeps and the indicator briefly lights red.
