

WRITING A SCHOLARSHIP ESSAY: Instructions and A Sample Essay

Your scholarship essay is a very important part of your application. Through your essay the selection committee is able to see you as more than a GPA or major. A well-written essay allows you to single yourself out from the other scholarship applicants.

STEPS IN WRITING THE ESSAY:

1. **Develop a good resume to use as an outline for your essay. (A resume is not required to apply for scholarships.)** This will help you to organize your essay. Each part of the resume corresponds to a paragraph in the essay.
2. **With some modifications, you can use the headings for the resume as the basis for the different paragraphs of the scholarship essay. These include:**
 - o goals
 - o education work experience and volunteer experience
 - o skills and special knowledge, special projects you have completed
 - o life experiences that have motivated you or have demonstrated your ability to overcome obstacles and challenges successfully
3. **Start with a strong thesis or umbrella statement outlining your goals, and indicating the main categories you will be discussing in your essay.**
 - o **Example:** My academic achievements, my work experience and my community service have all helped me to work toward my goals.
4. **Plan to devote one or two paragraphs to each of these sections and introduce each section with a clear topic sentence indicating which area you plan to discuss.**
 - o **Example:** I have always chosen challenging courses, and have a very good, good academic record.
 - o **Example:** I have developed strong leadership skills, and have learned to interact with a wide variety of people while working several different jobs.
 - o **Example:** I also have a good record of community service.
5. **You must stress how your experience helped you to develop the kinds of skills and qualities that selection committees are looking for in a good candidate. These include the following qualities taken directly from forms that are used for letters of recommendation for scholarships:**
 - o Scholarship, knowledge of chosen field, carefulness of work
 - o Motivation, enthusiasm, seriousness of purpose
 - o Creativity, originality, ingenuity in problem-solving
 - o Ability to plan and carry out research, organization
 - o Ability to express thought in speech and writing
 - o Maturity, emotional stability, ability to withstand stress and face challenges
 - o Leadership
 - o Self-reliance, initiative, independence, adaptability
 - o Responsibility, ability to make sound judgments
 - o Effectiveness with people, tact, ability to work with others, communicate effectively
6. **The challenge of the scholarship essay is to make sure that you stress a constant theme: that many of your past experiences have helped to prepare you to be a good candidate for the scholarship.**
