Not sure where to start with your scholarship essay? Here are some sample responses from one of ScholarshipsA-Z's student leaders. These well-written, powerful essays helped this student win scholarships worth over \$1,000. The student's name has been changed to protect the student's identity.

SAMPLE QUESTION 1: What are your career goals, and how will earning a college degree or certificate from PCC help you achieve those goals?

My name is Abigail Lopez. I am a student at Southeastern College completing an associate's degree in science and planning on transferring to a four-year college or university. My educational aspirations consist of acquiring a bachelor's degree in any biological or health science that would assist me in pursuing a medical career as a doctor. On the other hand, my career vision is to one day be able to provide affordable health care to marginalized communities in the United States. However, I am certain that if I do not complete my college degree I could never have the opportunity to achieve my career goals.

I decided that I will attain a career as a doctor since my passion has always been assisting others and trying to improve their quality of life. Therefore, I think that pursuing such a career will provide me the opportunity to help improve the community's health quality conditions and learn about their medical needs. After becoming a certified doctor, I want to specialize in oncology, the study of cancer, and add my knowledge to the cancer research field.

Furthermore, I want to contribute back to undeserved populations in the U.S. that struggle every day to sustain a family, and who do not have as much access to medical assistance as other privileged groups. The first health project I want to accomplish throughout my career as a doctor is to establish a free clinic where affordable medical
