

A photograph of the exterior of Amagansett School. The building features a prominent portico with four white columns and a pediment. The name 'AMAGANSETT SCHOOL' is inscribed on the frieze, flanked by two circular motifs. Below the columns are large, multi-paned windows. The lower portion of the building is constructed of red brick. In the foreground, a decorative white pediment with a central urn sits above a white door, which has the number '320' above it.

The Civil Rights Movement Bruce J Dierenfield,2013-09-13 The civil rights movement was arguably the most important reform in American history This book recounts the extraordinary and often bloody story of how tens of thousands of ordinary African Americans overcame long odds to dethrone segregation to exercise the right to vote and to improve their economic standing Organized in a clear chronological fashion the book shows how concerted pressure in a variety of forms ultimately carried the day in realizing a more just society for African Americans It will provide students of American history with an invaluable comprehensive introduction to the Civil Rights Movement The American School Board Journal ,1907

Political Philosophy, Educational Administration and Educative Leadership Reynold Macpherson,2013-10-01 In this book Reynold Macpherson initiates a politically critical theory of educative leadership as a fresh line of inquiry in the practice research and theory of educational administration and educational leadership Divided into four parts the book introduces the sub discipline of political philosophy to the field of educational administration management and leadership It does this by clarifying the knowledge domain of each and identifying how four political ideologies specifically pragmatism communitarianism communicative rationalism and egalitarian liberalism have primarily informed and surreptitiously provided contestable justifications for power in the development of practice research and theory in the field of study The book goes on to offer three case studies illustrating how political philosophy can be used to interpret how people become leaders and administrators of educational institutions and systems Additional case studies then demonstrate how crises in governance in educational institutions and systems can be analyzed and improvements made using the tools of political philosophy The final part uses the sub discipline to critique the author s decades of research into educative leadership and concludes the book by both establishing the relativity of politically critical critique and the ideology it favours neo pragmatism *Political Philosophy Educational Administration and Educative Leadership* will provide practitioners researchers and theorists in educational administration management and leadership with a deeper appreciation of power by formally introducing them to the assumptions limits and tools of political philosophy **Public Education in Camden, N.J.** Fred Reiss, Ed.D.,2005 Spanning more than a hundred years *Public Education in Camden N J From Inception to Integration* tells the history of one of the oldest and largest school districts in New Jersey Using vignettes and historical narratives author Fred Reiss current assistant superintendent of the Camden Board of Education tells how the Camden Public Schools survived and thrived through events both mundane and spectacular *Public Education in Camden N J From Inception to Integration* describes and interprets the actions of a board of education throughout a century of history including The Civil War era Hostility between the Republican controlled city and the Democratic controlled state Peculation and jobbery by board

members The World Wars The Great Depression Racism and segregation Using detailed records from many primary sources Reiss offers a compelling look at the growth and development of an educational board within an historical framework

New Primary Leaders Michael Cowie, 2011-08-11 New primary leaders face significant challenges worldwide and this book brings together the range of those experiences and challenges for the first time It includes interviews with primary school leaders in the early years of leadership in 12 different countries Each chapter begins with an introduction to the principal and the local context before the principal's own description of her or his experience as a new leader The leaders discuss how they prepared for principalship their experiences after taking up the post the extent to which the job meets with their expectations and their hopes and fears for the future The final chapter provides a comparative overview exploring new principals' perceptions of key influences on schools and their communities their reactions to the multiple heightened and often conflicting expectations pressures and challenges they encounter and the implications for principal preparation internationally The voices of principals from around the world provide a vivid and authentic picture of new school leaders in different contexts at the beginning of the 21st century
