

Left/Right School Story

By Autumn Gill

Back to school time is almost here and Mrs. Right was finishing the back to school shopping.

Principal Right, secretary Right, and librarian Right just returned from their last minute back to school shopping.

"There's not much Left to be done," said principal Right as he came into the school.

"Did you bring the basket of snacks to school?", asked Mrs. Right.

"I left it Right where you told me.", said Principal Right.

"I'm glad my shopping is done!, said Librarian Right. " I don't have any money Left.

The school phone rang and secretary Right left to answer it.

She rushed back and told the faculty the PE teacher Left a package for them Right on the playground.

"I'll go over there right now and get it," she said as she left in a rush.

Then they left all the crayons and glue at school and went to bed hoping they had selected the right supplies for their students.

Now I hope you have the right present for yourself because that's all of that's left of our story!

Except to wish you a great school year! Isn't that right?
