

My School Life

During school days, I have developed an interest in playing games, staging dramas, debating and other extra-curricular activities.

I am a good debater and orator, athlete, and sportsman and at the same time, I hold top positions in the class in the academic field. All the qualities of head and heart have earned me a profound love and respect from my teachers and friends. My teachers encourage and help me in all possible ways. I am in the good books of all the teachers as well as the principal because I have won many medals, trophies, shields, and certificates for my extraordinary display of abilities in examinations, athletics, debates, and theatre.

I do not feel discouraged and disheartened because for me the failures are the stepping stones to success. My school life is a great and valuable experience, the best teacher. I shall always remember my school days fondly.
