Women in Yoruba Religions Oyèrónké Oládémo, 2022-07-19 Discusses the influence of Yoruba culture on women's religious lives and leadership in religions practiced by Yoruba people covering themes like Yoruba women in Yoruba religion Christianity and Islam women in African derived religions in the diaspora Yoruba religion and globalization and LGBTQ adherents of Yoruba religion Encounters of Body and Soul in Contemporary Religious Practices Anna Fedele, Ruy Llera Blanes, 2011-09-01 Social scientists and philosophers confronted with religious phenomena have always been challenged to find a proper way to describe the spiritual experiences of the social group they were studying The influence of the Cartesian dualism of body and mind or soul led to a distinction between non material spiritual experiences i.e. related to the soul and physical mechanical experiences i.e. related to the body However recent developments in medical science on the one hand and challenges to universalist conceptions of belief and spirituality on the other have resulted in body and soul losing the reassuring solid contours they had in the past Yet in Western culture the body soul duality is alive not least in academic and media discourses This volume pursues the ongoing debates and discusses the importance of the body and how it is perceived in contemporary religious faith what happens when body and soul are unseparated entities Is it possible even for anthropologists and ethnographers to escape from natural dualism The contributors here present research in novel empirical contexts the benefits and limits of the old dichotomy are discussed and new theoretical strategies proposed **Nigerian Pentecostalism and Development** Richard Burgess, 2020-04-06 This book examines the contributions both intentional and unintentional of Nigerian Pentecostal churches and NGOs to development studying their development practices broadly in relation to the intersecting spheres of politics economics health education human rights and peacebuilding In sub-Saharan Africa Pentecostalism is fast becoming the dominant expression of Christianity but while the growth and civic engagement of these churches has been well documented their role in development has received less attention The Nigerian Pentecostal landscape is one of the most vibrant in Africa Churches are increasingly assuming more prominent roles as they seek to address the social and moral ills of contemporary society often in fierce competition with Islam for dominance in Nigerian public space Some scholars suggest that the combination of an enchanted worldview an emphasis on miracles and prosperity teaching and a preoccupation with evangelism discourages effective political engagement and militates against development However Nigerian Pentecostalism and Development argues that there is an emerging movement within contemporary Nigerian Pentecostalism which is becoming increasingly active in development practices This book goes on to explore the increasingly transnational approach that churches take often seeking to build multicultural congregations around the globe for instance in Britain and the United States Nigerian Pentecostalism and Development Spirit Power and Transformation will be of considerable interest to scholars and students concerned with the intersection between religion and development and to development practitioners and policy makers working in the region Over the Storm of Life J. O. Y. Aladetan, 2016-02-12

Many have surrendered to the lies that the devil tells them while going through challenges They have given up their destiny and lost focus on eternity as they face the storms of life Many have cursed themselves abandoned their vision and renounced God during their trials of faith becoming atheists sorcerers and occultists and completely turning away from God Is anything too difficult for God to do No Over the Storm of Life was written to inform to inspire to bless and to transform lives and strengthen faith Faith is called the spiritual horsepower that God has wonderfully and marvelously planted in all human DNA We can exercise dominion power like Him and like Jesus Christ over every storm in our lives This book is a revelation of the secret armor of God against every storm that tries to contend with the will of God in human lives showing Gods faithfulness and trustworthiness from eternity past to eternity without end God will never fail in whatever He wills and promises to do even when physical circumstances and situations suggest otherwise Success begins where failure ends Failure and tribulation are the ladders to move you to the next level when you activate the spiritual horsepower of faith Trust Gods Word and His covenant promises Dont settle for the rat race Strive for Gods inheritance History of Yoruba Land Gbade Aladeojebi,2016-10-17 The name Nigeria was coined in Lokoja by Flora Shaw the future wife of Baron Lugard a British colonial administrator while gazing out at the river Niger So British colonialism created Nigeria as a country joining diverse peoples and regions in an artificial political entity along the Niger River The territory known today as Nigeria is a very large country of multi ethnic groups of about four hundred The land mass is large enough to accommodate France Belgium and Italy The name Nigeria is derived from the River Niger which traverses the country from the North to the South Nigeria is located on the coast of Western Africa It has an area of 356 669 square miles 923 768 square km At its greatest expanse it measures about 1 200 kilometres about 750 mi from East to West and about 1 050 kilometres about 650 mi from North to South It is bordered to the north by Niger the east by Chad and Cameroon the south by the Gulf of Guinea and to the west by Benin Niger River and the Benue are its largest tributary are the principal rivers in the country The area that is now Nigeria was home to ethnically based kingdoms and tribal communities before it became a European colony In spite of European contact that began in the 16th century these kingdoms and communities maintains their autonomy until the 19th century Federal Republic of Nigeria is a constitutional Federal Republic comprising 36 states and the Federal Capital Territory in Abuja The principal groups in the Northern part are Hausa Fulani Kanuri and Nupe Other minority tribes also inhabits the Middle belt area these include the Jukun the Chamba and the Bata In the region north of the upper Benue valley various ethnic groups such as Fali Gabun Gude Gudu Higi Hona Mbula Mumuye and Tika also inhabits the area In the Southwest we have the Yoruba another principal ethnic group and in the Southeast we have the Igbo people which form the third principal ethnic group In the South south we have the group of minorities such as Annang Efik Ibibio Ijaw Itsekiri Isoko Uhrobo and Ukwiani The entire ethnic group in Nigeria is over 500 parts of these are listed in appropriate section of this book

Mission and Money Mari-Anna Auvinen-Pöntinen,Jonas Adelin Jørgensen,2016-05-30 Mission and Money Christian

Mission in the Context of Global Inequalities offers academic discussion about the mission of the Church in the context of contemporary economic inequalities globally challenging the reader to reconsider mission in the light of existing poverty and investigating how economic structures could be challenged in the light of ethical and spiritual considerations The book includes contributions on the subjects of poverty and inequality from the theologians economists and anthropologists who gave keynote presentations at the European Missiological Conference IAMS Europe that took place in April 2014 in Helsinki Finland This conference was a major step forward in terms of discussion between missiologists and economists on global economic structures and their influence on human dignity Contributors are Mari Anna Auvinen P ntinen Stephen B Bevans Jonathan J Bonk Ulrich Duchrow Jonas Adelin J rgensen Vesa Kanninen Veli Matti K rkk inen Tinyiko Sam Maluleke Gerrie Ter Haar Evi Voulgaraki Pissina Mika V h kangas Felix Wilfred *Living in Abundance* Fidelis O. Nwachukwu,2012-04-21 This is a religious motivational book The whole idea about Living in Abundance stems from John 10 10b where Jesus Christ said that he has come so that we might have life and that we might have life more abundantly Therefore Living in Abundance vol 1 has the central message of preaching prosperity wealth and abundance for the believers in Christ as our portion in redemption even in spite of apparent global economic meltdown and hardship It seeks to let believers realize that in all that we do we are created to be the head and not the tail the first and not the last we are to be above and not beneath Our portion is to be the best in all We are created to be like a city set on hill that cannot be hid We are to live in Abundance in every aspect of our lives because Jesus Christ was rich but he was made poor so that we can become rich Deut 28 1 13 Matt 5 14 2 Cor 8 9 **Renewing the Church by the Spirit** Amos Yong,2020-11-03 In most parts of the world and especially where Christianity is flourishing Pentecostal and charismatic movements predominate What would it look like for the Western world beset by the narrative of decline to participate in this global Spirit driven movement According to Amos Yong it all needs to start with the way we approach theological education Renewing the Church by the Spirit makes the case for elevating pneumatology in Christian life allowing the Spirit to reinvigorate church and mission Yong shows how this approach would attend to both the rapidly deinstitutionalizing forms of twenty first century Christianity and the pressing need for authentic spiritual experiences that marks contemporary religious life He begins with a broad assessment of our postmodern post Enlightenment post Christendom ecclesial context before moving into a detailed outline of how a Spirit filled approach to theological education its curriculum pedagogy and scholarship can meet the ecclesial and missional demands of this new age A New Paradigm of Pentecostal Power Asonzeh F. K. Ukah,2008 Ukah describes with great historical and sociological incisiveness one of the prime movers of this transformation the Redeemed Christian Church of God RCCG which has more than 10 000 congregations in more than 80 countries around the world **Let Somebody Shout Hallelujah!** Tony Ojo,2001
