Find a quiet spot, sit and breathe. When you meditate every day, your mind stays happy and even bad days are a little easier. Sometimes life seems like it's all about hurrying so many places to go. And sometimes it's hard when things don't go your way; it can make a piggy angry and sad. So how do young piggies find a peaceful place in a frustrating world? They meditate. They find a quiet spot, a special place with a few simple things and just breathe. They do this every day, feeling their breath going in and out. They slow down and calm down. Now it's easier to deal with whatever comes their way and they have time to notice all the magical things in life too. [Peaceful Piggy Yoga](#) Kerry Lee MacLean, 2016-09-01 Who loves yoga?
