Power Through Partnership How Women Lead Better Together:

Power Through Partnership Betsy Polk, Maggie Ellis Chotas, 2014-11-03 Polk and Chotas explore and destroy the myths stereotypes and misplaced fears that get in the way of female partnerships Drawing from their own twelve year partnership and from interviews with 125 women business partners across the world they have learned something powerful when women work together they discover a level of support balance confidence accountability and a freedom to be themselves that is rarely found in other work relationships Heroic male partnerships are a staple business success story but female partnerships rarely get the same kind of attention This is a call for women to recognize and build on the inherent strengths that make them uniquely able to create successful trust based professional relationships Readers are offered advice for handling potential challenges like finding the best partner dealing with conflict facing fears taking risks and knowing when to let go of a partnership

The Genius of Opposites Jennifer B. Kahnweiler, 2015-08-17 Better Together FDR and Eleanor Mick and Keith Jobs and Woz There are countless examples of introvert extrovert partnerships who make brilliant products create great works of art and even change history together But these partnerships don t just happen They demand wise nurturing The key says bestselling author Jennifer Kahnweiler is for opposites to stop emphasizing their differences and use approaches that focus them both on moving toward results Kahnweiler s first of its kind practical five step process helps introverts and extroverts understand and appreciate each other s wiring use conflicts to spur creativity enrich their own skills by learning from the other and see and act on things neither would have separately Kahnweiler shows how to perform the delicate balancing act required to create a whole that is exponentially greater than the sum of its parts

Unfinished Business Anne-Marie Slaughter, 2015-09-29 Includes a new afterword by the author Slaughter

s gift for illuminating large issues through everyday human stories is what makes this book so necessary for anyone who wants to be both a leader at work and a fully engaged parent at home Arianna Huffington NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST NPR AND THE ECONOMIST When Anne Marie Slaughter accepted her dream job as the first female director of policy planning at the U S State Department in 2009 she was confident she could juggle the demands of her position in Washington D C with the responsibilities of her family life in suburban New Jersey Her husband and two young sons encouraged her to pursue the job she had a tremendously supportive boss Secretary of State Hillary Clinton and she had been moving up on a high profile career track since law school But then life intervened Parenting needs caused her to make a decision to leave the State Department and return to an academic career that gave her more time for her family The reactions to her choice to leave Washington because of her kids led her to question the feminist narrative she grew up with Her subsequent article for The Atlantic Why Women Still Can t Have It All created a firestorm sparked intense national debate and became one of the most read pieces in the magazine s history Since that time Anne Marie Slaughter has pushed forward breaking free of her long standing assumptions about work life and family Though many solutions have been proposed for how women can continue to break the glass ceiling or rise above the motherhood penalty women at the top and the bottom of the income scale are further and further apart Now in her refreshing and forthright voice Anne Marie Slaughter returns with her vision for what true equality between men and women really means and how we can get there She uncovers the missing piece of the puzzle presenting a new focus that can reunite the women s movement and provide a common banner under which both men and women can advance and thrive With moving personal stories individual action plans and a broad outline for change Anne Marie Slaughter reveals a future in which all of us can finally finish the business of equality for women and men work and family I m confident that you will be left with Anne Marie s hope and optimism that we can change our points of view and policies so that both men and women can fully participate in their families and use their full talents on the job Hillary Rodham Clinton
