Rubber Band

Jewellery Pam Leach (Beadworker), 2014 Rubber band jewellery is a relative newcomer to the crafts world and is about to make a big splash in the UK market although it has been massive in the US for some time. Many items can be made just using a crochet hook; other more complex items are made using a special loom which is very widely available from outlets such as Amazon, Argos and Toys R Us for about 15p. The most popular loom is the Rainbow Loom but other makes such as Cra-Z-Loom and Fun Loom are also available. Bags of very brightly coloured rubber bands are also easily available together with plastic connecting clips, charms and other embellishments. In the book there will be 20 pieces of rubber band jewellery: 10 made using just a crochet hook-like tool and 10 using the loom, including bracelets, earrings, necklaces, rings, bag charms and hand/foot accessories. Each project is accompanied by a beautiful full-colour photograph of the finished piece, clear step-by-step instructions, a list of the materials and tools needed. Two versions of each project are included: each made by following the same step-by-step instructions but by varying the colours of the rubber bands. *Loom Bands Charms!* Heike

Roland, Stefanie Thomas, 2015-01-02 Loom bands are small colourful rubber bands that can be transformed into bracelets and charms using either just your fingers, drinking straws, pencils, forks or a simple specially designed Rainbow Loom and hook. Loom bands are now a global phenomenon. Beginning in Asia and the US, the love for loom bands has now hit the UK and is currently sweeping through homes and schools across the country. But this is not just a playground craze; everyone from Miley Cyrus to David Beckham have been spotted wearing loom band bracelets. Now you can join in the fun. Each containing ten different project designs, *Loom Bands Charms* is the perfect small book to get anyone moving on from making loom band jewellery to making loom band charms. It's amazing how many awesome things you can make.
