

Writing help when you need it.

In the book . . . When you have a question as you write, you want quick, practical advice in language you can understand and in a format that's easy to use. *Rules for Writers*, Sixth Edition, has the advice you need. Because you will write in almost every college course, it's a tool you can hang on to — one that will continue to help answer questions about writing, research, and grammar any time of day or night.

On the Web . . . The companion Web site offers online writing help 24/7, exercises with feedback, sample papers, research guidelines, tutorials, ESL help, access to an online version of the book, and writing center resources — including straightforward helpsheets for common writing problems.

And at a low price . . . *Rules for Writers* is already priced lower than almost every other college handbook. When you think about it, though, hanging on to the book after your writing class — and continuing to use it in business, psychology, or literature — makes the price even more reasonable.

Exploring Microeconomics, 6th Edition Robert L. Sexton, Colin C. Kovacs, Peter N. Fortura, 2023-01-20 Exploring Microeconomics Sixth Canadian Edition offers students a lively approach designed to take the intimidation out of economics. With its short self-contained learning units and its carefully chosen pedagogy, graphs and photos, this text helps students master and retain the basic principles of economics. In addition, the current events focus and modular format of presenting information makes Exploring Microeconomics very student accessible and user friendly. Robert Sexton's section-by-section approach is designed to encourage economic literacy and helps students appreciate how economics impacts both business and daily life. Sexton helps students build a solid understanding of economic principles by engaging them from the outset and providing them with multiple points of practice.
