demolishing older neighborhoods and ask whether new building benefits residents Shining a light on both the successes and failures in downtown revitalization they underscore the lessons to be learned for national urban policy highlighting the value of partnerships unwavering commitment and local leadership Today New Brunswick s skyline has been dramatically altered by new office buildings residential towers medical complexes and popular cultural centers This engaging volume explores the challenges facing urban America while also providing a specific case study of a city s quest to raise its economic fortunes and retool its economy to changing needs **Editor & Publisher** ,2006 **Who's who in Finance and Business** ,2008
