

Put the Works Cited page on its own page at the end of your document.

Title the Works Cited page with the words "Works Cited." Center the title and do not italicize.

Keep your last name and page number in the header as you do on the rest of your document in MLA format.

Newbold 27

Alphabetize all sources by author last name or first entry (match with in-text)

Keep margins the same as the rest of your document at 1".

Space your text the same as the rest of your document, whether single or double-spacing.

Create hanging indents by indenting 0.5" the second and subsequent lines of each source. Double-space between sources.

Capitalize author names and all words in titles except for prepositions (on, in, of), articles (a, an, the), and conjunctions (but, and, or).

College Writing and Beyond Anne Beaufort,2008-02-06 Composition research consistently demonstrates that the social context of writing determines the majority of conventions any writer must observe Still most universities organize the required first year composition course as if there were an intuitive set of general writing skills usable across academic and work world settings In College Writing and Beyond A New Framework for University Writing Instruction Anne Beaufort reports on a longitudinal study comparing one student s experience in FYC in history in engineering and in his post college writing Her data illuminate the struggle of college students to transfer what they learn about general writing from one context to another Her findings suggest ultimately not that we must abolish FYC but that we must go beyond even genre theory in reconceiving it Accordingly Beaufort would argue

that the FYC course should abandon its hope to teach a sort of general academic discourse and instead should systematically teach strategies of responding to contextual elements that impinge on the writing situation Her data urge attention to issues of learning transfer and to developmentally sound linkages in writing instruction within and across disciplines Beaufort advocates special attention to discourse community theory for its power to help students perceive and understand the context of writing
