Data Quality Policy

Policy Statement

Data will be collected, stored and used in a manner that ensures it is relevant, timely, accurate, coherent, transparent and accessible.

Data will be assessed and managed in accordance with the ACT Health Data Quality Framework to ensure that it is of a quality that is fit for purpose.

Correction of data will be done in or as close as possible to the Primary Source System.

Purpose

The primary purpose of this policy is to ensure that high quality data are available to support clinical and business decisions within ACT Health.

The Health Directorate Corporate Plan 2012-2017 identifies strengthening decision support as a key strategy aiding the improvement of health services delivery. High quality data underpins decision support for both clinical and business decisions.

Scope

The policy applies to all ACT Health employees, contracted medical officers, contractors, and students on work placement who create, modify, store, use and interpret data.

Agencies and other directorates with responsibilities for ACT Health data are expected to collect, store and use it appropriately.

All data collected, used and reported by ACT Health including patient, clinical, administrative, financial and human resource data are within scope of this policy.

Aboriginal and Torres Strait Islander identification in key administrative data collections is essential to enable accurate assessment of health outcomes of, and service use by, Aboriginal and Torres Strait Islander people. Aboriginal and Torres Strait Islander data including identification is within scope of this policy.
