Practical Vampirism For Modern Vampyres:

Practical Vampirism for Modern Vampyres Lady Cg, 2005-08 Based on the articles written for the on line communities this handbook for the Modern Vampyre Communities contains advice for those learning to cope with the early stages of vampyrism Vampires Today Joseph P. Laycock, 2009-05-14 This book about real vampires and the communities they have formed explores the modern world of vampirism in all its amazing variety Long before Dracula people were fascinated by vampires The interest has continued in more recent times with Anne Rice's Lestat novels Buffy the Vampire Slayer the HBO series True Blood and the immensely popular Twilight But vampires are not just the stuff of folklore and fiction Based upon extensive interviews with members of the Atlanta Vampire Alliance and others within vampire communities throughout the United States this fascinating book looks at the details of real vampire life and the many expressions of vampirism as it now exists In Vampires Today The Truth about Modern Vampirism Joseph Laycock argues that today's vampires are best understood as an identity group and that vampirism has caused a profound change in how individuals choose to define themselves As vampires come out of the coffin as followers of a religion or lifestyle or as people biologically distinct from other humans their confrontation with mainstream society will raise questions as it does here about how we define normal and what it means to be human **Reading Vampire Gothic Through Blood** Aspasia

Stephanou, 2014-07-17 Reading Vampire Gothic Through Blood examines the manifestations of blood and vampires in various texts and contexts It seeks to connect through blood fictional to real life vampires to trace similarities differences and discontinuities These movements will be seen to parallel changing notions about embodiment and identity in culture
