Chapter 2

**FINANCIAL BACKGROUND: A REVIEW OF ACCOUNTING,
FINANCIAL STATEMENTS, AND TAXES**

FOCUS

Most students have been exposed to accounting and taxes in prerequisite courses, but many don't recall the material well enough to tackle finance effectively. Chapter 2 provides a concise review of what they need to know in one convenient place. The material is presented in relatively non-numerical form although some computation is unavoidable.

PEDAGOGY

You may not want to spend much class time lecturing on accounting and tax material. An hour is generally enough to hit the highlights. Assigning the chapter as background reading followed by a quiz gets students warmed up and focused on financial concepts in preparation for the things to come.

TEACHING OBJECTIVES

1. To reacquaint students with basic accounting concepts and procedures which they may have forgotten.
2. To develop an understanding of federal tax fundamentals, and the ability to calculate simple taxes.

OUTLINE

I. ACCOUNTING SYSTEMS AND FINANCIAL STATEMENTS

A. The Nature of Financial Statements

How accounting ideas such as "income" are different from everyday use of similar terms.

B. The Accounting System

A brief treatment of basic ideas including the double entry concept, accounting periods, closing the books, and stocks and flows.

II. THE INCOME STATEMENT

A line by line treatment of income, cost, and expense items along with subtotals such as Gross Margin and EBIT.

III. THE BALANCE SHEET

A. Presentation

Format, the balance sheet identity, liquidity.

B. Assets

A brief description of the treatment of each asset item along with the risks it presents. E.g., overstatement of receivables.

C. Liabilities

An intuitive description of the nature of current liabilities, especially accruals.

Practical Financial Management 7th Instructor Manual Introduction

In today's digital age, the availability of Practical Financial Management 7th Instructor Manual books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Practical Financial Management 7th Instructor Manual books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Practical Financial Management 7th Instructor Manual books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Practical Financial Management 7th Instructor Manual versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Practical Financial Management 7th Instructor Manual books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Practical Financial Management 7th Instructor Manual books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Practical Financial Management 7th Instructor Manual books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital

libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Practical Financial Management 7th Instructor Manual books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Practical Financial Management 7th Instructor Manual books and manuals for download and embark on your journey of knowledge?
