Smith, 2001 **Heart Beats** Catherine Robson, 2015-03-22 Many people in Great Britain and the United States can recall elderly relatives who remembered long stretches of verse learned at school decades earlier yet most of us were never required to recite in class Heart Beats is the first book to examine how poetry recitation came to assume a central place in past curricular programs and to investigate when and why the once mandatory exercise declined Telling the story of a lost pedagogical practice and its wide ranging effects on two sides of the Atlantic Catherine Robson explores how recitation altered the ordinary people who committed poems to heart and changed the worlds in which they lived Heart Beats begins by investigating recitation s progress within British and American public educational systems over the course of the

nineteenth and twentieth centuries and weighs the factors that influenced which poems were most frequently assigned Robson then scrutinizes the recitational fortunes of three short works that were once classroom classics Felicia Hemans's *Casabianca* Thomas Gray's *Elegy Written in a Country Churchyard* and Charles Wolfe's *Burial of Sir John Moore* after Corunna To conclude the book considers W E Henley's *Invictus* and Rudyard Kipling's *If* asking why the idea of the memorized poem arouses such different responses in the United States and Great Britain today Focusing on vital connections between poems individuals and their communities *Heart Beats* is an important study of the history and power of memorized poetry Learning and Leading with Technology, 2005 **Mindful Learning** David B. Strahan, 1997 Today's teachers face unique challenges They feel pressure to raise test scores and to cover the curriculum At the same time their students need more nurturing and guidance than ever *Mindful Learning* shows how successful teachers put caring into action to provide both personal support and instructional enrichment Using this approach teachers integrate efforts to care for students as people the affective portion of the curriculum with efforts to extend their understanding of content the academic dimension of instruction In each chapter of *Mindful Learning* Strahan illustrates strategies that help students maximize academic learning and make better choices about behavior These strategies combine what teachers have learned about how the mind works best with what researchers have learned about how teachers most effectively promote learning The concept of *Mindful Learning* incorporates Gardner's Theory of Multiple Intelligences Glaser's Reality Therapy and Goleman's Emotional Intelligence The result is a flexible framework that has proven successful in promoting achievement and self discipline Each chapter features classroom applications that are ready to teach as well as a summary of relevant research A CHOICE Magazine Outstanding Academic Book of 1998 **Giggle Poetry Reading Lessons** Amy Buswell, Bruce Lansky, 2014-08-05 Many struggling readers are embarrassed to read aloud They are often intimidated or bored by texts that reading specialists require them to practice So instead of catching up they are falling further behind This handbook filled with poetry reading lessons can help turn struggling readers into happy readers Language Arts Pamela J. Farris, 2004 The Tablet, 1904

Towards a Critical Multicultural Literacy Danny K. Weil, 1998 *Towards a Critical Multicultural Literacy* claims that in a pluralistic society education should affirm and encourage the quest for self examination through social transformation by creating relevant problem posing activities that allow students to confront through reasoning the challenges offered by everyday life's diverse reality Dr Weil specifically examines traditional views of education critical thinking advocate views of education critical pedagogy advocate views of education and multicultural views of education as they historically and currently exist both in theory and in practice The Illustrated London News, 1873 **Repeated Readings in Poetry Versus Prose** Lori Pierce, 2012 This study examined the effectiveness of repeated readings in four second grade classrooms in two urban elementary schools in Northwest Ohio As determined by the Ohio Department of Education 75% of the students in each building must score at or above the proficient level For the 2008-2009 school year Building A a school within one of

Ohio's urban settings had a passage rate of 65.7% and Building B in the same district had a lower passage rate of 58.1%. To evaluate the effectiveness of the 10-week repeated reading session of poetry and prose, the following research questions were addressed: a) What is the effect of repeated readings of poetry versus repeated reading of narrative passages on fluency (Words Correct Per Minute) over a 10-week intervention? b) What is the effect of repeated readings of poetry versus repeated reading of narrative passages on fluency and prosody over a 10-week intervention? c) What is the effect of repeated readings of poetry versus repeated reading of narrative passages on reading comprehension over a 10-week intervention? d) What is the effect of repeated reading of poetry on students' attitudes toward reading as compared to the repeated readings of narrative passages? Mixed methods design was selected for this study due to both quantitative and qualitative methods of data collection. The quantitative data represents the scores on the pre and post tests of Words Correct Per Minute, retelling rubric, Elementary Reading Attitude Survey, and prosody rubric. The qualitative data within the study consisted of student questionnaires, student interviews, and teacher journals following the 10-week repeated readings project. Within this study, statistical significance was demonstrated in the areas of improvement in Words Correct Per Minute, phrasing, and smoothness, making repeated readings a viable addition to reading instruction. Additionally, the results suggested that attitudes toward reading for poetry were more positive than attitudes toward reading of narrative passages.

By the Rubric of Rhythm, They'll Read Cherie A. Ward M.A.T. B.A., 2022-05-03 *By the Rubric of Rhythm They'll Read* offers poetry as an alternative approach for teaching children reading below basic to succeed. It opens doors and new horizons for students placed at risk while tapping into their multiple intelligences that standardized tests may have missed. The book discusses the history of public schooling and the reading literacy paradigm, addressing the problem while presenting solutions that stimulate and liberate students' minds. It is the examination into real-world social and interactional contexts while promoting individual agency through oral, written, visual, and the arts while fusing technology at its best. Presenting poetry as the spark that will encourage students to learn as they have fun, dance, and sing, the book takes into account their prior knowledge and the cultural capital they bring. The author introduces her original lesson plans and programs: Lumumba's Playground and Laughing and Learning with Language as vehicles to renegotiate texts for diverse learners to engage, educate, and entertain.
