Dear Mr. Donaldson,

I was really excited to see the recent articles highlighting your restaurant and your use of organic and local produce in your recipes to promote sustainable agriculture. I was pleased to read that you incorporate your garden's organic produce in the restaurant's menu. It is refreshing to know that an award-winning restaurant like yours is committed to supporting healthy living as well as sustainable agriculture by utilizing produce from an on-site garden in its creations.

I'm writing to you because Seeds of Change is the oldest and largest 100% organic seed company in the United States and is the preferred organic seed for hundreds of top restaurants. Last year we gave away 100 million organic seeds to promote sustainable, organic agriculture. For over 25 years, we have been committed to promoting healthy living and sustainable practices in communities across the country.

With that in mind we have enclosed several packages of free organic seeds for use in your garden. This is not an attempt to sell you anything, simply our way of saying thanks for doing the right thing for our communities, families and environment.

Enjoy the seeds and happy growing! If you would like any additional seeds, please contact Liz Aguirre at 310-764-7759 and she will be happy to send them to you at no cost.

Kind Regards,

Will Righelmer, President
