

ANNUAL REPORT FOR 1995

SECTION I

EXECUTIVE SUMMARY

The TPS review assessed the quality of the UI Tax Operation in each of the major tax functions using the following methodologies:

- **Computed Measures**

Specific indicators for Status Determinations, Report Delinquency, Collections and Field Audit were compiled to assess timeliness and completeness.

- **Program Reviews**

Systems Reviews: The internal controls and quality assurance systems of each tax function were examined.

Acceptance Samples: Small samples were examined from each tax function to confirm that controls and quality assurance systems were working effectively to produce accurate outputs.

- **Methods Surveys**

Information was gathered on the State's methods and procedures to: facilitate and promote employer identification and registration; resolve delinquencies; promote voluntary payment compliance; and manage and control Accounts Receivable.

Sample Outline For A Report:

Report Writing Patricia Lewis, Peter Watson, 1991-09-01 With this step by step guide writing a report won't seem so daunting. Students are provided with instructions, sample outlines, and checklists to help them produce a high quality, carefully researched and well organized report. The guide can be used for any topic including those in language arts, science, and social studies. Wiley CPA Examination Review, Outlines and Study Guides Patrick R. Delaney, O. Ray Whittington, 2010-06-08 All the information you need to master the computerized CPA Exam. Published annually, this comprehensive two volume paperback reviews all four parts of the CPA exam. Many of the questions are taken directly from previous CPA exams. Volume I contains all study guides and outlines. Volume II contains all problem solutions. The most effective system available to prepare for the CPA exam. Contains all current AICPA content requirements in accounting and reporting. Helps you zero in on areas that need work, organize your study program, and concentrate your efforts. With over 600 multiple choice questions and more than 75 simulations, these study guides provide all the information candidates need to master in order to pass the computerized Uniform CPA Examination. **Total Quality Project Management for the Design Firm** Frank A. Stasiowski, David Burstein, 1993-12-16 Staying Small Successfully: A Guide for Architects, Engineers, and Design Professionals. Frank A. Stasiowski. Today's design professional with entrepreneurial ambitions often has in mind a small firm. Written by a veteran architect and consultant, here is a clear, detailed road map to setting up a small business or guiding an existing one to success. Using miniprofiles of several small successful design firms, the author pinpoints exactly what's made them flourish. In a step by step format, he describes the six elements of the strategic planning process: tips on doubling average profit levels, building a loyal clientele, making your company a magnet for top talent, as well as measuring the financial health of your firm. This all in one seminar includes numerous checklists and flowcharts, a list of design firm management consultants, a typical marketing plan, and a survey of typical marketing costs. 1991 0 471 50652 4 297 pp. **Value Pricing for the Design Firm** Frank A. Stasiowski. Essential to the design firm negotiating tough economic times, here is a handbook to garnering the most effective price for your services. Making the traditional cost per hour approach obsolete, the book teaches you how to price services based on their value to your client. Full of tactics that can be applied immediately, the book outlines the different methods of value pricing, ways to create value, a format for charging minimum fees, and a formula for price contracts. Other practical pricing tips include mini-scoping your services, charging for reimbursables, pricing change orders, as well as advice on negotiating a better contract. Complete with sample forms and lists, the book is a practical, easy to implement recession survival kit for the design firm. 1993 0 471 57933 5 240 pp. **Cash Management for the Design Firm** Frank A. Stasiowski. While excellence in design and engineering may generate clients, monitoring and planning the movement of cash is central to a company's survival. This practical guide outlines a detailed cash management plan that makes continued financial health possible even during lean economic times. Using a clear, easy to implement approach, the book describes cash management

techniques project budgeting profitable project pricing structures controlling project and overhead costs getting paid and planning and monitoring performance The book also includes valuable advice on negotiating a contract the most profitable contract types the purchasing process acquiring capital equipment and internal financial controls Numerous checklists and exercises as well as sample reports and financial documents are included 1993 0 471 59711 2 324 pp *Technical Report Writing* United States.
