When teachers talk about the joys of teaching, I'm pretty sure they aren't talking about report card writing. It may just rank right up there with indoor recess, yard duty, and staff meetings. But report cards don't have to be such a pain. Here are a few report card general principles, followed by my handy dandy list of editable go-to phrases...

Three Report Card Principles

1. Be Truthful but Kind

A report card's main purpose is to inform parents about their child's progress. While there should be no major surprises (BIG issues should have already been discussed with the child's parents), regardless of how well the child is doing or how poorly, the report card should be an honest reflection of that child's performance. Having said that, of course we want to word things in a way that is as positive as we can be and in a way that is encouraging, offering suggestions for improvement, rather than discouragement.

2. Follow the Magical Format

If the child is doing well overall... you are golden!!! An easy report card is one that I LOVE to do. Unfortunately, not all kids are Einsteins or angels, and we have to mention some areas that need improvement. That's when we use the magical format, which is...

The Other Side of the Report Card Maurice J. Elias, Joseph J. Ferrito, Dominic C. Mocer, 2015-12-14 To better serve the whole child look at the whole report card Although parents and teachers spend more time in conferences talking about behavior than they do about rubrics and test scores too many teachers are still guessing when it comes to using outdated behavior ratings and comments to describe the whole child With this book you ll take report cards to the next level integrating social emotional learning and character development into any grading system Resources include Guided exercises for analyzing existing report cards Suggested report card designs Tips on improving teacher parent communication Case studies Testimonials from teachers and students *Developing Standards-Based Report Cards* Thomas R.
