

# Conclusion

In conclusion, this essay has discussed three key areas of CSR and has argued that it is an important consideration for larger companies. When businesses are environmentally friendly, support local companies and provide positive working conditions, then evidence suggests that this improves profitability and encourages outside investment. It is therefore recommended that all SMEs and larger companies invest in CSR to remain competitive and focused on sustainability.

## Thesis:

Remind the reader what your stance is.

## Summary:

Summarise the key points made in main body paragraphs.
