India Major Manufacturers, George & Martha Karen Finley, 2020-05-05. George and Martha meet in a seedy motel room on the night before the Republican National Convention. Their affair goes way back before George stole the election before Martha built an empire on fascist domesticity. As usual, George numbs his pain over waging perpetual war with cocaine and the promise of kinky sex. Martha is forced to take a long view of her life as she suffers the public humiliation of corporate scandal on the brink of going to prison. Written in the style of Albee's *Who's Afraid of Virginia Woolf?*, George Martha is Karen Finley's most scandalous work to date: a hilarious satire that takes a radical stand on political power, psychosexual relations between men and women, and the current state of affairs. Lavishly illustrated with drawings by the author.

Now a grad student, both her thesis and her life are interrupted when a troubled young Irishman knocks on her door in Santa Cruz, California. Her visions return with his arrival, and Ophelia must struggle to keep her balance amidst her growing confusion over her place in the world and time. When Ophelia's visions of a Victorian mystery reveal a secret that will change her future, she also discovers a love that was stronger than death. But is it too late to right the wrongs of the past?
