INTRODUCTION

Flag football is a game that can be enjoyed by everyone. It includes running, throwing and catching. A team's strategy is the most important part of the game. Pads or helmets are not required since tackling or blocking is not allowed.

In flag football games, teams of five players throw and run with a football to move down the field. The team with the ball is referred to as the offense and the team without the ball is called the defense. The defense tries to stop the offense by pulling a flag out of the belt of the player who has the ball.
