Sharpening Writing Skills , **Reading Words into Worlds** J. Clayton McReynolds,2024-07-19 Reading Words into Worlds asks how it is that reading a novel can feel in some ways like being in a world The book explores how novels give themselves to readers in ways that mimetically resemble our phenomenological reception of given beings in reality McReynolds refers to this process as phenomenological mimesis of givenness and he draws on the phenomenological philosophy of Husserl Heidegger and Jean Luc Marion to explore how masterful novels can make reading ink marks on a page feel like seeing things feeling things and meeting even loving others McReynolds blends rigorous phenomenological study with a personable style first laying out his theory in detail and then applying that theory through close studies of his reading experiences of four British realist masterpieces Defoe s Robinson Crusoe Austen s Northanger Abbey Eliot s Middlemarch and Hardy s Jude the Obscure Ultimately this book offers a grounded phenomenology of novel reading illuminating what gives novels such power to not only thrill readers but to change them

Crusoes and Other Castaways in Modern French Literature Joseph Acquisto,2012-08-31 Crusoes and Other Castaways in Modern French Literature Solitary Adventures by Joseph Acquisto examines the many ways in which the castaway particularly in the form of engagement with Robinson Crusoe has been reinterpreted and appropriated in nineteenth through twenty first century French literature The book is not merely a literary history of the robinsonnade in France rather Acquisto demonstrates how what he calls the genre of solitary adventure becomes a vehicle for exploration of much larger questions about the reception of texts modes of reading and the relationship between popular and serious literary traditions The heart of Crusoes and Other Castaways in Modern French Literature examines a crucial moment in the late nineteenth and early twentieth centuries when the history of cultural perspectives on reading and solitude intersect catalyzing a reconsideration of Defoe s tale Acquisto s philosophically inflected readings of works by writers from Rousseau to Balzac Verne to Gide Val ry to Tournier enhance intertextual and cultural approaches to the castaway myth and broaden our appreciation of the dynamic relation it has to

modern French literature writ large Published by University of Delaware Press Distributed worldwide by Rutgers University Press **Decolonizing the Westernized University** Ramón Grosfoguel, Ernesto Rosen Velásquez, Roberto Hernández, 2016-10-26 An underlying assumption undergirding institutions of higher education is that they serve as a means to upward socioeconomic mobility and in turn a way to address poverty that is tied to certain racialized sexualized bodies Although the education crisis is not an American or European problem in the geographic sense but instead a global problem that plays itself out differentially across space and time this volume focuses on the westernized university in the US and abroad It asks questions about what is westernized about the university what its aims are and how those who work in through and outside these sites of knowledge production with local or global social movements can participate in the slow careful process of decolonizing the westernized university *Decolonizing the Westernized University Interventions in Philosophy of Education from Within and Without* provides a sharper understanding of the crisis and the responses to the westernized university at multiple sites around the world As an intervention in the philosophy of education discourse which tends to assume the university is a neutral space this collection will be of particular value to students and scholars working in philosophy of education Latina o philosophy Africana philosophy social epistemology education cultural studies and ethnic studies as well as to intellectual activists in the United States south of the border and around the world *The Digital Reader* Terence W.
