Role Model and Countermodel Carsten Schapkow, 2015-12-09 This book explores the Golden Age of Sephardic Jewry on the Iberian Peninsula and its perception in German Jewish culture during the era of emancipation For Jews living in Germany the history of Sephardic Jewry developed into a historical example with its distinctive valence and signature against the pressure to assimilate and the emergence of anti-Semitism in Germany It provided moreover a forum to engage in internal dialogue amongst Jews and external dialogue with German majority society about challenging questions of religious political and national identity In this respect the perception of prominent Sephardic Jews as intercultural mediators was key to emphasizing the skills and values Jews had to offer to civilizations in the past German Jews invoked this past significance in their case for a Jewish role in present and future societies especially in Germany **The Goddess as Role Model**

Heidi R.M. Pauwels, 2008-10-09 This book seeks to understand the major mythological role models that mark the moral landscape navigated by young Hindu women Heidi Pauwels compares how these role models are portrayed in the most authoritative versions of the story She traces the ancient Sanskrit sources the medieval vernacular retellings and the contemporary TV versions as well By analyzing several popular recent and classical hit movies that use Sita and Radha tropes Pauwels shows how these moral messages have developed and how they spill into the domain of popular culture for commercial consumption **Role Models** Shehla Rashid Shora, 2024-10-30 Role models are people who inspire us to dream bigger by broadening the horizons of our imagination They challenge us to go beyond limited possibilities by expanding our aspirational matrix In this refreshing and unique account of the contributions of Indian Muslims to national life Shehla Rashid brings together a formidable list of achievers such as A R Rahman Sania Mirza Nigar Shaji Dr Ausaf Sayeed and Huma Qureshi among others who have excelled in their respective fields She postulates the idea of a Muslim civil society a space where new ideas can germinate allowing talent to achieve its full potential and reforms to take root As Shehla brings their stories to life she also offers insights into her own life the choices she made and the way forward for Muslims in a democratic political system *Joan Of Arc: A Role Model For Witches, Wizards, Pagans and New-Agers* Dr. Isis

Day, 2013-04-04 Great Someone has finally had the courage to put Joan of Arc where she belongs to reunite her with her true brothers and sisters Witches Pagans and New Agers Joan Of Arc A Role Model For Witches Wizards Pagans and New Agers is a thesis on How To Spiritually Achieve Whatever Your Mind Can Conceive with the legendary Joan of Arc as a model of possibility worthy of emulation by all who wish to follow a Spiritual Pagan or New Age approach to life thus manifesting complete prosperity and success in their lives because you deserve a successful life and a happy ending materially socially career wise and holistically Everybody can find a place in Joan of Arc's world especially Witches Wizards Pagans and New Agers Joan of Arc was condemned and burned at the stake as a Witch despite her open denouncement of such an accusation But was she truly a Witch or just a religiously pious teenager She saved her French people from the English in a manner that

is beyond any human expectation She was super clairaudient and clairvoyant she raised the dead and predicted verifiable events accurately was she psychic or simply favored by the gods *Nani Palkhivala A Role Model* Maj Gen Nilendra Kumar,2009 Commemoration volume to Nani Ardeshir Palkhivala 1920 2002 an eminent Indian lawyer and diplomat contributed articles **Out of the Crucible** Zuoya Cao,2003-01-01 Out of the Crucible offers an informative and inviting study of the novels and short stories of the lives of the zhiqing the Chinese urban youth who were sent to rural areas during the rustication movement in the second phase of the Cultural Revolution Author Zuoya Cao a former zhiqing herself covers the works authors themes characters and plots of zhiqing literary writing from the late 1970s to the late 1990s She teases out the significant themes of zhiqing literature heroism and idealism suffering and internal transformation moral dilemmas and the loss of innocence love and cultural difference sexual and spiritual oppression zhiqing peasant relations the relationship between man and nature and the conflict between the desire to leave the countryside and the attachment to it Through a perceptive analysis of the treatment of these themes drawing on her extensive knowledge of Chinese literary and social history in addition to her own experiences Cao reveals the emotional aspects of the rustication movement and the humanistic significance of the zhiqing experience and enriches our understanding of modern Chinese literature and history

MacIntyre,2019-11-18 This book brings together contributions from the leaders of the language learning motivation field The varied chapters demonstrate how Gardner s work remains integral to a diverse range of contemporary theoretical issues underlying the psychology of language even today 60 years after the publication of Gardner and Lambert s seminal 1959 paper The chapters cover a wide selection of topics related to applied linguistics second language acquisition social psychology sociology methodology and historical issues The book advances thinking on cutting edge topics in these diverse areas providing a wealth of information for both students and established scholars that show the continuing and future importance of Gardner and Lambert s ideas

Translated Poe Emron Esplin,Margarida Vale de Gato,2014-10-23 Few if any U S writers are as important to the history of world literature as Edgar Allan Poe and few if any U S authors owe so much of their current reputations to the process of translation Translated Poe brings together 31 essays from 19 different national literary traditions to demonstrate Poe s extensive influence on world literature and thought while revealing the importance of the vehicle that delivers Poe to the world translation Translated Poe is not preoccupied with judging the quality of any given Poe translation nor with assessing what a specific translation of Poe must or should have done Rather the volume demonstrates how Poe s translations constitute multiple contextual interpretations testifying to how this prolific author continues to help us read ourselves and the world s we live in The examples of how Poe s works were spread abroad remind us that literature depends as much on authorial creation and timely readership as on the languages and worlds through which a piece of literature circulates after its initial publication in its first language This recasting of signs and symbols that intervene in other cultures when a text is translated is one of the principal subjects of the humanistic discipline of Translation Studies dealing with the products functions and processes of translation as both a cognitive and socially regulated activity Both literary history and the history of translation benefit from this book s focus on Poe whose

translated fortune has helped to shape literary modernity in many cases importantly redefining the target literary systems Furthermore we envision this book as a fountain of resources for future Poe scholars from various global sites including the United States since the cases of Poe's translations both exceptional and paradigmatic prove that they are also levers that force the reassessment of the source text in its native literature **Role Model Blacks** Carroll L. Miller, 1982

Imaginations of Death and the Beyond in India and Europe Günter Blumberger, Sudhir Kakar, 2018-03-27 This volume explores current images of afterlife afterdeath and the presence of the dead in the imaginations of the living in Indian and European traditions Specifically it focuses on the deepest and most fundamental uncertainty of human existence the awareness of human mortality on which depends any assignment of meaning to earthly existence as also to notions of worldly and otherworldly salvation This central idea is addressed in the literature arts audiovisual media and other cultural artefacts of the two traditions The chapters are based on two main assumptions First that one cannot report on the direct experience of death so it is only possible to speak allegorically of it Second in contemporary Western societies marked by structural atheism people look at literature the arts and mass media to study their depiction and reading of traditionally religious questions of disease death and the Beyond This is in contrast to Asian civilizations whose preoccupation with death and Beyond is persistent and perhaps central to the civilizations highest thought The chapters cover a wide spectrum of disciplinary approaches from psychoanalysis to religious anthropological literary and film studies from sociology and philosophy to art history and address issues of unsettling power comforting illusions of afterlife the relations between afterlife and fertility visions of technological immortalization of mankind the problem of thinking about death after the death of God socialist utopias of bodily immortality fear of Hell and punishment different concepts in relating the living and the dead near death experiences and cultural practices of spiritualism occultism and suicide **The Oxford History of Life Writing: Volume 2. Early Modern** Alan Stewart, 2018-05-04 The Oxford History of Life Writing Volume 2 Early Modern explores life writing in England between 1500 and 1700 and argues that this was a period which saw remarkable innovations in biography autobiography and diary keeping that laid the foundations for our modern life writing The challenges wrought by the upheavals and the sixteenth century English Reformation and seventeenth century Civil Wars moulded British and early American life writing in unique and lasting ways While classical and medieval models continued to exercise considerable influence new forms began to challenge them The English Reformation banished the saints lives that dominated the writings of medieval Catholicism only to replace them with new lives of Protestant martyrs Novel forms of self accounting came into existence from the daily moral self accounting dictated by strands of Calvinism to the daily financial self accounting modelled on the new double entry book keeping This volume shows how the most ostensibly private journals were circulated to build godly communities how women found new modes of recording and understanding their disrupted lives how men started to compartmentalize their lives for public and private consumption The volume doesn't intend to present a

strict chronological progression from the medieval to the modern nor to suggest the triumphant rise of the fact based historical biography Instead it portrays early modern England as a site of multiple sometimes conflicting possibilities for life writing all of which have something to teach us about how the period understood both the concept of a life and what it mean to write a life The Oxford History of Life-writing Karen Anne Winstead, Alan Stewart, 2018 The Oxford History of Life Writing Volume 1 The Middle Ages explores the richness and variety of life writing in the Middle Ages ranging from Anglo Latin lives of missionaries prelates and princes to high medieval lives of scholars and visionaries to late medieval lives of authors and laypeople Is There a Home in Cyberspace? Heike Mónica Greschke, 2012-08-21 How is global togetherness possible How does the availability of the Internet alter migrants everyday lives and senses of belonging This book introduces an alien people inhabiting a specific common virtual space in the World Wide Web while the members of this space most of them ethnic Paraguayans are physically located in many different parts of the world By developing an innovative and uniquely adequate set of research methods the author explores the interrelation of media and migration practices in their own right and sheds light not only on the living conditions of contemporary Paraguayan migrants but also on emerging global forms of living together The concentration on a single case facilitates an in depth understanding of contemporary migration practices cultural meanings of digital media and senses of belonging The book discusses empirical data methods and theoretical concepts in a reflexive writing style allowing readers to follow the research process and to learn from its choices and challenges which are rarely visible in most research reports The reflexive research procedure contributes not only to the understanding of social realities in the light of globalization but also to an advancement of sociological methods and concepts for researching social phenomena in global landscapes and mediatization
