important feature of the book is the fact that it deals not only with written communication but also with spoken  
communication including telephone etiquette and speeches within an organisation This book is a must for all those who are  
involved in business or who are aspiring to move up the corporate ladder It is a comprehensive guide to communication skills  
for corporate executives and business professionals The book will be enormously useful to students of commerce  
management international business and sciences as the authors have taken into consideration the fact that 2 students  
entering a degree course as well as graduates from science disciplines would not have been introduced to the concepts of  
communications and the book does that in an effective manner This book explains the principles of communication and  
correspondence in simple language and provides models of written communication with explanations where necessary
