Drinks in Vogue David Inglis, Hang Kei Ho, 2023-09-28 How do fashions in drinks work and how are drinks fashions related to changing trends in clothes and apparel These twin questions are posed and answered by the book Drinks in Vogue Taking a radically cross disciplinary set of perspectives and ranging far and wide across time and space the book considers beverages as varied as cocktails wine Champagne craft beer coffee and mineral water The contributors present rich case materials which illuminate key conceptual issues about how fashion dynamics work both within and across the worlds of beverages and clothes Covering both contemporary and historical cases and drawing upon perspectives in disciplines including sociology history and geography among others the book sets out a novel research programme that intersects fashion studies with food and drinks studies

Masculinities in Play Nicholas Taylor, Gerald Voorhees, 2018-10-06 This volume addresses the persistent and frequently toxic associations between masculinity and games It explores many of the critical issues in contemporary studies of masculinity including issues of fatherhood homoeroticism eSports fan cultures and militarism and their intersections with digital games the contexts of their play and the social futures associated with sustained involvement in gaming cultures Unlike much of the research and public discourse that put the onus of fixing games and gaming cultures on those at its margins women LGBTQ and people of color this volume turns attention to men and masculinities offering vital and productive avenues for both practical and theoretical intervention

From Panem to the Pandemic: An Introduction to Cultural Studies Michael Butter, 2023-11-06 Today virtually all BA programs in English at German universities place a strong focus on Cultural Studies However textbooks that introduce first year students to the subject are rare and the few existing ones are too complicated or not comprehensive enough By contrast this textbook introduces the key theories and concepts of Cultural Studies systematically and thoroughly It puts particular emphasis on their application aiming to enable students to do their own analyses of cultural artefacts and practices The author draws on many examples mostly taken from American culture but in each chapter he applies the ideas introduced to The Hunger Games franchise and the coronavirus pandemic to show how different theories can lead to very different interpretations of the same phenomenon Each chapter ends with exercises that allow students to apply what they have learned

Future T/Issues Ruth Gehrmann, 2024-07-01 Transplant practices are discussed in the medical realm in fictional texts and in popular advertisement Yet how do these sectors intersect and influence each other How can the accounts of surgeons invested in transplant practice be brought into conversation with fictional voices Future T Issues positions transplantation at the intersection of natural science and the humanities and adds to the discussion of organ transplantation by focusing on one specific aspect that is commonly overlooked the idea of speculation By engaging with speculative fiction in conversation with

life writing it contributes to a more thorough understanding of transplantation as a cultural practice showcasing that transplantation is imagined as part of the future both within and beyond the literary sphere Hereby this book establishes the relationship between literary and medical narratives as reciprocal in effect eroding boundaries between the life sciences and literary studies As an interdisciplinary endeavor this study contributes to literary studies specifically to the fields of life writing speculative fiction and young adult fiction it offers insights for the study of transplantation in the popular realm and adds to the medical humanities *English Church Brasses from the 13th to the 17th Century* Ernest Richard Suffling,1910
