**Robert Irwin, James Turrell** Michael Govan, Anna Bernardini, Villa Panza (Varese), 2014 The work of two central figures associated with West Coast contemporary art Robert Irwin and James Turrell is the subject of this breathtaking book that explores collaboration artistic evolution and themes of light space and perception Through numerous illustrations and informative text the book shows how both artists have extended and refined their earlier work using the latest technology

Robert Irwin, James Turrell Michael Govan, Anna Bernardini, John aBowsher, Giuseppe Panza, 2014 The work of two central figures associated with West Coast contemporary art Robert Irwin and James Turrell is the subject of this breathtaking book that explores collaboration artistic evolution and themes of light space and perception Robert Irwin and James Turrell both originally from Los Angeles are among the most recognized artists to have emerged in the 1960s Irwin has worked in a variety of media while Turrell s work is characterized by his engagement with pure light One of the first champions of Irwin and Turrell s work was Giuseppe Panza who commissioned installations for his 19th century mansion in Northern Italy now an art museum part of FAI Fondo Ambiente Italiano Those installations are the focus of this book the first to pair these two important artists Opening with essays that examine the artists seminal careers and trace their relationship to Panza this volume examines both the original 1973 installations in the villa and recent works made specifically for the building s architecture Irwin s new installation moves from inside to outside through a row of vertical openings and a series of semi transparent planes and Turrell s large Ganzfeld immerses viewers in radiant colored light Through numerous illustrations and informative text the book shows how both artists have extended and refined their earlier work using the latest technology **James Turrell** Craig E. Adcock, James Turrell, 1990-01-01 A much needed antidote to Art Writing as it is encountered in the art mags his writing is fluent and the style attractive and engaging Stephen Foster University of Iowa

*Seeing Silence* Mark C. Taylor, 2022-02-18 Finding silence amidst restlessness is what makes creative life possible and death comprehensible But how do we find more importantly how do we understand silence while immersed in the chattering of the digital age Have we forgotten how to listen Are we less prepared than ever for the ultimate silence that awaits us all Mark C Taylor s new book is a philosophy of silence for our nervous buzzing present a timely work for a world where noise is a means of distraction domination and control Here Taylor asks the reader to pause long enough to hear what is not said and to attend to what remains unsayable But in his account our way to hearing silence is to see it Taylor explores variations of silence by considering the work of leading modern and postmodern visual artists from Barnett Newman and Ad Reinhardt to James Turrell and Anish Kapoor Drawing also on the insights of philosophers theologians writers and composers he weaves a rich narrative modeled on the Stations of the Cross We come from and return to silence in between silence is the gap hesitation interval that allows thoughts to form and words to emerge he writes His chapter titles suggest our positions toward silence or rather our pre positions Without Before From Beyond Against Within Around Between Toward With In

Recasting Hegel's phenomenology of spirit and Kierkegaard's stages on life's way Taylor translates the traditional Via Dolorosa into a Nietzschean Via Jubilosa that affirms silence in the midst of noise light in the midst of darkness Panza Hirshhorn Museum and Sculpture Garden, Evelyn Carol Hankins, 2008 First published in 1928 this book reproduces the lectures and addresses that John Henry Muirhead gave on various occasions during the two and a half years he spent as Lecturer of Philosophy on the Mills Foundation at the University of California USA The different chapters look at the meaning and general place of Philosophy as a subject of study and the application of its leading conceptions to different areas of modern life including science and politics The final chapters however present two short talks of a different nature which were addressed to Scottish countrymen gathered on distant shores In this book Muirhead makes a summary of his lifetime's philosophical thoughts and conclusions **The Rough Guide to the Italian Lakes: Travel Guide eBook** Rough
