Robert O'Byrne, 2024-09-10 A unique presentation of Irish country house interiors combining well preserved historic estates with adventurous contemporary restorations celebrating some of the most characterful houses in Ireland Forgoing the criteria of stateliness and opulence this book is an exploration of the most captivating and unusual interiors in Ireland Whether in the transformation of a derelict estate the preservation of an historic hunting lodge or the re creation of a Gothic fantasy each of the homes in this extraordinary book reflects a renewed vitality in the contemporary approach to Irish country houses Rich in detail and varied in scope the houses reveal a refreshing dynamism in their decoration by equally diverse owners from the ornate refurbishment of a castle by a Mexican financier to the bold palette of a contemporary artist's renovation to an Elizabethan Revival house The sparse interiors of a mansion in Westmeath reflect its painstaking restoration by descendants of the original owners and at Coollattin Ireland's largest country house part restored part still in disrepair the building's baroque splendor is amplified by its raw unfinished state Accompanying photography of the houses made specially for the book the author guides readers through fifteen exceptional spaces elucidating the remarkable aspects of each and in doing so celebrates the unexpected eclecticism and reinvigorated spirit of Ireland's historic interiors **Romantic English**

Homes Robert O'Byrne, 2017-02-28 Romantic English Homes is an inspirational collection of truly timeless houses Romantic English Homes is an inspirational collection of truly timeless houses Ever since the first milords embarked on a Grand Tour in the seventeenth century the passion for developing collections has been a national trait of England As a result the country's aristocratic palaces became repositories of treasure gathered from around the globe But so too thanks to the spread of an

Empire providing goods from across the globe did almost every residence in England Romantic English Homes features 14 such houses Large or small old or new they all convey an impression of massed objects intentionally mingling styles and tastes the classical placed next to the gothic tartan pattern competing with floral print Decorated with defiant eclecticism the buildings featured here indicate that although the Empire may have gone the English love of collecting remains as strong as ever Criss crossing the country from Dorset Devon and Cornwall to East Anglia and Suffolk from London to Lancashire and Shropshire it is both the romantic timelessness of these properties and their many layered appearance that makes them so alluring

O'Byrne,2009 Irish houses have a character and personality quite different from that found anywhere else Quixotic often whimsical and definitely quirky they provide a sanctuary from the Irish climate which is frequently gray cold and damp No wonder therefore that over the centuies Ireland s domestic architecture and interior design has developed a distinctive personality in which color and vivacity are highly prized Romantic Irish Homes presents 15 of the finest examples of these traits each one of them distinctive and yet sharing the same native spirit From vast ancient castles through sturdy Georgian manors to small farmhouses the majority of them never previously photographed the homes featured here offer a unique insight into the Irish temperament and an exploration of a style of decoration that while adapted to meet 21st century demands still retains an historic integrity Photographed by Simon Brown Romantic Irish Homes is every bit as charming and memorable as the Irish people themselves **The Dictionary of National Biography** Leslie Stephen,Sir Sidney Lee,1917
