Culinary Landmarks Elizabeth Driver, 2008-04-05 *Culinary Landmarks* is a definitive history and bibliography of Canadian cookbooks from the beginning when *La cuisinière bourgeoise* was published in Quebec City in 1825 to the mid twentieth century. Over the course of more than ten years Elizabeth Driver researched every cookbook published within the borders of present day Canada whether a locally authored text or a Canadian edition of a foreign work. Every type of recipe collection is included from trade publishers bestsellers and advertising cookbooks to home economics textbooks and fund raisers from church women's groups. The entries for over 2 200 individual titles are arranged chronologically by their province or territory of publication revealing cooking and dining customs in each part of the country over 125 years. Full bibliographical descriptions of first and subsequent editions are augmented by author biographies and corporate histories of the food producers and kitchen equipment manufacturers who often published the books. Driver's excellent general introduction sets out the evolution of the cookbook genre in Canada while brief introductions for each province identify regional differences in developments and trends. Four indexes and a Chronology of Canadian Cookbook History provide other points of access to the wealth of material in this impressive reference book. *The Progressive Grocer*, 1959 Vols for include annual report of the grocery industry.

The Farmer, 1952-07 **Country Guide and Northwest Farmer**, 1927 Tualatin Valley Fire & Rescue Ray Pitz, 2012 In the early days of fighting fires in Beaverton Oregon a bugle called firefighters to the scene. The Beaverton Enterprise newspaper reported that with no water system firefighters had to rely upon water buckets and the enthusiasm of volunteers who came running to the call. In 1935 Beaverton officially formed its first fire department and down the road in the city of Tualatin a group of volunteers began assembling what would become the Tualatin Rural Fire Protection District. In 1989 a merger of the latter department with Washington County Fire District No 1 resulted in the creation of Tualatin Valley Fire Rescue. Beaverton would officially annex into the new district in 1996 and today TVF R is the second largest fire department in Oregon covering 210 square miles with 21 stations. Since the beginning the departments that comprise the district were known for their resourcefulness and innovation both of which continue to this day. **Successful Farming**, 1949 Includes various special sections or issues annually. 1968 Harvesting issue usually no 7 or 8. 1968 Crop planning issue usually no 12.
