Multi-Sector Engagement Model (MSEM) is a strategy that promotes meaningful engagement across sectors in a particular setting and community. It is based on the principle that shared goals and efforts are necessary to achieve meaningful change. The approach involves identifying stakeholders and partners in the community, building relationships with them, and then working together to address a common goal. The MSEM is a flexible and adaptable approach that can be used in a variety of settings and communities. It is a powerful tool for promoting positive change and achieving shared goals.
