Johnston, 2009 By 1909 the completion of the Garland Canal brought water to the arid lands in the central Bighorn Basin transforming the high plains desert into irrigated farmland Homesteaders and businessmen poured into the region and established the town of Powell named after famed government explorer John Wesley Powell Residents of Powell worked through the years to overcome a variety of obstacles and establish a vibrant and lasting community that would continue to bloom in the arid landscape      *Cowboy is a Verb* Richard Collins, 2019-11-06 From the big picture to the smallest detail Richard Collins fashions a rousing memoir about the modern day lives of cowboys and ranchers However Cowboy is a Verb is much more than wild horse rides and cattle chases While Collins recounts stories of quirky ranch horses cranky cow critters cow dogs and the people who use and care for them he also paints a rural West struggling to survive the onslaught of relentless suburbanization A born storyteller with a flair for words Collins breathes life into the geology history and interdependency of land water and native and introduced plants and animals He conjures indelible portraits of the hardworking dedicated people he comes to know With both humor and humility he recounts the day to day challenges of ranch life such as how to build a productive herd distribute your cattle evenly across a rough and rocky landscape and establish a grazing system that allows pastures enough time to recover He also intimately recounts a battle over the endangered Gila topminnow and how he and his neighbors worked with university range scientists forest service conservationists and funding agencies to improve their

ranches as well as the ecological health of the Redrock Canyon watershed Ranchers who want to stay in the game don't dominate the landscape instead they have to continually study the land and the animals it supports Collins is a keen observer of both He demonstrates that patience resilience and a common sense approach to conservation and range management are what counts combined with an enduring affection for nature its animals and the land Cowboy is a Verb is not a romanticized story of cowboy life on the range rather it is a complex story of the complicated work involved with being a rancher in the twenty first century West
