The Musical Theater of Stephen Schwartz Paul R. Laird, 2014-04-10 As the composer lyricist for Godspell Pippin Wicked and other musicals Stephen Schwartz has enjoyed one of the most significant careers in American musical theater for more than four decades Schwartz has also achieved success on the big screen contributing to such films as Enchanted The Prince of Egypt and Pocahontas For his work he has received six Tony nominations three Grammys and three Academy Awards The Musical Theater of Stephen Schwartz From Godspell to Wicked and Beyond is a detailed examination of Schwartz's various projects throughout his career Musicologist Paul R Laird discusses at length Schwartz's major shows and also considers his other ventures such as the music and lyrics for animated features from Disney and Dreamworks The book focuses on two major aspects of Schwartz's creations the process of collaboration resulting in a project's completion and a descriptive analysis of his music and lyrics Laird also describes each show's critical reception and its place in the larger history of musical theater Based on extensive interviews with Schwartz and a number of his major collaborators this book provides a rare look into the creation of the composer and lyricist's shows and films The Musical Theater of Stephen Schwartz is intended for fans as well as students and professional researchers in music theater and the musical theater Bernstein Meets Broadway Carol J. Oja, 2014 With an innovative historical framework Carol J Oja explores the emergence during World War II of Leonard Bernstein Jerome Robbins Betty Comden and Adolph Green At center stage are the mixed race cast of On the Town which was their first Broadway show the web of gay relationships surrounding the ballet Fancy Free and a nightclub act called The Revuers **Agnes de Mille** Kara Anne Gardner, 2016 This book explores the Broadway legacy of choreographer Agnes de Mille Six 1940s musicals are discussed in depth Oklahoma One Touch of Venus Bloomer Girl Carousel Brigadoon and Allegro Drawing on interviews with cast members letters sketches and videos the book describes Mille's unique contributions to original Broadway productions **So You Want to Be a Scriptwriter and Make a Million Dollars** Irving Elman, 2000 This book was written to fill a need when I started teaching script writing at Santa Monica College and my students asked me to name a book on the subject I could recommend After voluminous reading I could find nothing which was completely satisfactory Most of it seemed to have been written by people who had never written professionally for films and or television and thus had no first hand knowledge of it from personal experience The books were written from hearsay and observation like trying to learn how to swim by standing at the edge of a pool and watching others do it without ever getting into the water yourself Or trying to fly by flapping your arms like a bird It doesn't work They have no hands on or wings on concept of how commercially produceable scripts are actually put together and then marketed and are of no real practical help to the beginning writer or anyone else who's interested Only a swimmer or a bird or a writer who has made his living at it really knows how his special trick is done and can pass it on to others And so here it is Enjoy while you learn Because if writing isn't fun it's no way to make a living Rob banks instead but try not to get caught The
