Though I have been designing costumes for seven years it was during this past year that I realized costume designing would
become my professional pursuit Designing for Romeo and Juliet this year was the first time I had free reign to design without
a supervisor and it was my first experience working with high concept Shakespeare In addition to my limited experience at
the beginning of this year our company had only a three week design process before opening theplay at the Blackfriars
Playhouse in October Romeo and Juliet challenged me to use my past two years of graduate school education in a new
immersive way In my costuming work I found myself using a combination of the play text production dramaturgy acting and

performance studies education skills to design and build this production In this thesis project to recapture the swirling series of ideas and questions that seemed to bounce like rapid fire in my mind while I was working on this project I have done my best to break down my thoughts and piece them together in a logical order while illustrating the balancing act of spinning plates that this job required Abstract
